SPECIAL GENERAL MEETING OF SHAREHOLDERS
DECEMBER 23, 1996

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the "Board") of RenaissanceRe Holdings Ltd. (the "Company") to be voted at the Special Meeting to be held at Renaissance House, 8-12 East Broadway, Pembroke, Bermuda on December 23, 1996 at 10:00 a.m. Atlantic standard time, or any adjournment thereof. This Proxy Statement, the Notice of Special Meeting and the accompanying form of proxy are being first mailed to shareholders of the Company on or about December 9, 1996.

At the Special Meeting, shareholders will be asked to consider, and if thought fit, (1) approve an amendment to the Amended and Restated Bye-laws of the Company (the "Bye-laws") creating by redesignation of the authorized share capital of the Company and setting forth the rights and preferences of two new series of capital shares of the Company (the "New Shares Proposal") consisting of 16,789,776 shares of Diluted Voting Class I Common Shares, \$1.00 par value per share (the "Diluted Voting I Shares"), and 1,639,641 shares of Diluted Voting Class II Common Shares, \$1.00 par value per share (the "Diluted Voting II Shares" and, together with the Diluted Voting I Shares, the "Diluted Voting Shares"), which will be issued pursuant to the approval of the Board to certain shareholders of the Company in exchange for an equal number of the Company's common shares, par value \$1.00 per share (the "Full Voting Common Shares" and, together with the Diluted Voting Shares, the "Common Shares"), held by such shareholders on a one-for-one basis (the "Recapitalization"); (2) approve amendments to the Bye-laws (the "Voting Proposal") (x) reducing the requisite affirmative vote at an annual or special general meeting of the Company's shareholders, from at least 66-2/3% of the issued and outstanding capital shares of the Company in order to approve (A) an amalgamation or reorganization of the Company; (B) an acquisition or disposition of all or substantially all of the Company's assets; (C) a liquidation, dissolution or winding up of the Company; or (D) an amendment to or repeal of such Bye-law, to (i) the affirmative vote of a majority of all issued and outstanding capital shares of the Company in order to approve such item (A), and (ii) the affirmative vote of a majority of the voting rights attached to all issued and outstanding Common Shares in order to approve such items (B), (C) and (D), (y) reducing the quorum requirement relating to shareholder votes contemplated by Bye-law 43(b); and (z) providing that the Board shall, with respect to any matter required to be submitted to a vote of the shareholders of the Company's wholly-owned subsidiary, Renaissance Reinsurance Ltd. ("Renaissance Reinsurance"), be required to submit a proposal relating to such matters to the shareholders of the Company and shall vote all the shares of Renaissance Reinsurance owned by the Company in accordance with and proportional to such vote of the Company's shareholders; and (3) increase the size of the Board from nine members to eleven members (the "Board Proposal") and authorize the Board to fill the vacancies created thereby without further shareholder action. The New Shares Proposal, the Voting Proposal and the Board Proposal are collectively referred to in this Proxy Statement as the "Proposals."

The Board presently consists of eight directors and one vacancy. If the requisite shareholder approval at the Special Meeting of each of the Proposals is received and the Recapitalization is consummated, the Board will appoint three individuals to fill the existing vacancies on the Board and to serve as directors of the Company (the "Nominees") until the Company's 1997 Annual General Meeting of Shareholders (the "1997 Annual Meeting") or until their successors are duly elected and qualified. Subject to such shareholder approval, the Company presently expects that the

Recapitalization will be consummated and the Nominees will commence serving on the Board prior to December 31, 1996. For further information with respect to the Nominees, see "DIRECTORS, OFFICERS AND NOMINEES OF THE COMPANY--Nominees" in this Proxy Statement. Shareholders may also be asked to consider and take action with respect to such other matters as may properly come before the Special Meeting.

As of December 9, 1996, the record date for the determination of persons entitled to receive notice of, and to vote at, the Special Meeting, there were 25,615,977 Full Voting Common Shares outstanding. Each Full Voting Common Share is entitled to one vote on each matter to be voted upon by the shareholders at the Special Meeting. The presence, in person or by proxy, of holders of (i) more than 50%, with respect to the New Shares Proposal and the Board Proposal, and (ii) of at least 66-2/3%, with respect to the Voting Proposal, of the Common Shares outstanding and entitled to vote on the matters to be considered at the Special Meeting is required to constitute a quorum for the transaction of business at the Special Meeting.

The New Shares Proposal and the Board Proposal must be approved by the affirmative vote of a majority of votes cast, in person or by proxy, at the Special Meeting. The Voting Proposal must be approved by the affirmative vote at the Special Meeting of at least 66-2/3% of the Full Voting Common Shares outstanding. A hand vote will be taken unless shareholders request a poll pursuant to the Bye-laws. Warburg, Pincus Investors L.P. ("WPI"), GE Investment Private Placement Partners I, Limited Partnership ("GEIPPI"), the Trustees of General Electric Pension Trust ("GEPT"), and United States Fidelity & Guaranty Company ("USF&G") (collectively, the "Founding Institutional Investors") have each informed the Company that they intend to vote their Full Voting Common Shares, representing in the aggregate sufficient voting power to approve each of the Proposals to be acted on at the Special Meeting, in favor of such Proposals. THEREFORE, APPROVAL OF EACH PROPOSAL DESCRIBED HEREIN AT THE SPECIAL MEETING IS ASSURED.

SOLICITATION AND REVOCATION

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, OR ON BEHALF OF, THE BOARD OF DIRECTORS OF THE COMPANY. THE PERSONS NAMED IN THE FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD OF DIRECTORS. Such persons designated as proxies are officers of the Company. Any shareholder desiring to appoint another person to represent him or her at the Special Meeting may do so either by inserting such person's name in the blank space provided on the accompanying form of proxy, or by completing another form of proxy and, in either case, delivering the completed proxy to the Secretary of the Company at the address indicated above, before the time of the Special Meeting. It is the responsibility of the shareholder appointing such other person to represent him or her to inform such person of this appointment.

All Full Voting Common Shares represented by properly executed proxies which are returned and not revoked will be voted in accordance with the instructions, if any, given thereon. If no instructions are provided in an executed proxy, it will be voted (1) FOR the New Shares Proposal, (2) FOR the Voting Proposal and (3) FOR the Board Proposal, and in accordance with the proxyholder's best judgment as to any other business raised at the Special Meeting. If a shareholder appoints a person other than the persons named in the enclosed form of proxy to represent him or her, such person will vote the shares in respect of which he or she is appointed proxyholder in accordance with the directions of the shareholder appointing him or her. Abstentions and broker non-votes will not be counted with regard to approval of the proposals with respect to which they are not voted. Any shareholder who executes a proxy may revoke it at any time before it is voted by delivering to the Secretary of the Company a written or oral statement revoking such proxy, by executing and delivering a later dated proxy, or by voting in person at the Special Meeting. Attendance at the Special Meeting by a shareholder who has executed and delivered a proxy to the Company shall not in and of itself constitute a revocation of such proxy.

The Company will bear its own cost of the solicitation of proxies. Proxies will be solicited initially by mail. Further solicitation may be made by directors, officers and employees of the Company personally, by telephone or otherwise, but such persons will not be specifically compensated for such services. The Company also intends to make, through bankers, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Shares. Upon request, the Company will reimburse brokers, dealers, banks or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Special Meeting to the beneficial owners of Full Voting Common Shares which such persons hold of record.

THE RECAPITALIZATION

CERTAIN TAX CONSIDERATIONS

United States Taxation of U.S. Shareholders of Renaissance Reinsurance.

Section 951(b) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), defines a United States shareholder ("U.S. Shareholder") as any U.S. citizen or resident, domestic corporation, partnership, estate or trust that owns (directly or indirectly through certain deemed ownership rules) 10% or more of the voting power of all classes of stock of a foreign corporation. In the case of insurance companies, such as the Company's wholly owned Bermuda subsidiary, Renaissance Reinsurance Ltd. ("Renaissance Reinsurance"), if U.S. Shareholders own, or are considered to own, more than 25% of the voting power or value of its shares, the corporation is classified as a "controlled foreign corporation" ("CFC").

The Founding Institutional Investors presently are U.S. Shareholders of Renaissance Reinsurance because each of them is considered to indirectly own (through their direct, indirect or constructive ownership of Common Shares) at least 10% of the voting power of Renaissance Reinsurance. Collectively, they are considered to indirectly own more than 25% of the voting power and value of Renaissance Reinsurance, thereby causing Renaissance Reinsurance to be a CFC. Such status results in each such U.S. Shareholder being required to include in its income, based on the extent of its interest in the Company, its pro rata share of Renaissance Reinsurance's subpart F income. Substantially all of Renaissance Reinsurance's income is currently subpart F income. The Small Business Job Protection Act of 1996 amended the Code to provide that any such subpart F inclusion in income by a U.S. Shareholder that is a tax-exempt entity is treated as unrelated business taxable income. As a result of this change in law, tax-exempt U.S. Shareholders of the Company and tax-exempt partners of U.S. Shareholders of the Company are taxed on their allocable share of subpart F income of Renaissance Reinsurance.

Related Person Insurance Income ("RPII") Rules.

Certain special subpart F provisions of the Code may require U.S. persons to include their share of RPII of Renaissance Reinsurance in income even if such U.S. persons are not U.S. Shareholders of Renaissance Reinsurance (i.e., even if

they do not own, directly or indirectly, 10% or more of the voting power of the Company). RPII inclusion is not required, however, if certain definitional prerequisites are not satisfied. One such prerequisite for RPII inclusion (the "Insured Ownership Requirement") is that such inclusion is required only if 20% or more of the voting power or value of Renaissance Reinsurance's shares is owned directly or indirectly by U.S. persons insured or reinsured by Renaissance Reinsurance or by persons related to such insureds. The Company has sought to avoid RPII inclusion, but believes that it would have greater flexibility in writing insurance business if it also does not meet the Insured Ownership Requirement. USF&G and GEIPPPPI are currently reinsured by Renaissance Reinsurance or are related to persons who are so reinsured, and together, they own more than 20% of the voting power and value of the Company. Consequently, the Insured Ownership Requirement is satisfied currently. Because USF&G and GE Investment Private Placement Partners I-Insurance, Limited Partnership ("Insurance L.P.") will own less than 20% of the voting power and value of the Company and GEIPPPPI will not own any shares of the Company following the consummation of the Recapitalization and the Proposed Restructuring (as defined below), the Company believes that Renaissance Reinsurance will not satisfy the Insured Ownership Requirement. There can be no assurance, however, that RPII inclusion will not be required.

There can be no assurance as to the treatment of the Diluted Voting Shares or other securities of the Company. The tax treatment of a holder of Common Shares, or a person treated as a holder of Common Shares for U.S. federal income, state, local or non-U.S. tax purposes may vary depending on the holder's particular tax situation. Legislative, judicial or administrative changes or interpretations may be forthcoming that could be retroactive and could affect the tax consequences to holders of Common Shares. PROSPECTIVE INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISORS CONCERNING THE FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES TO THEM OF OWNING COMMON SHARES.

TERMS AND CONDITIONS OF THE RECAPITALIZATION

In an effort to reduce the Company's RPII exposure and to mitigate the effects of subpart F income on certain direct and indirect holders of Common Shares, the Company proposes to consummate the Recapitalization on the terms and conditions described below.

Exchange of Full Voting Common Shares for Diluted Voting Shares; Rights and Preferences of the Diluted Voting Shares; Conversion of Diluted Voting Shares upon Subsequent Transfer.

Pursuant to the Recapitalization, the Company will issue two new classes of Common Shares--Diluted Voting I Shares and Diluted Voting II Shares. The Diluted Voting Shares will be issuable in exchange for an equal number of Full Voting Common Shares held by certain shareholders of the Company on a one-for-one basis.

Each holder of Diluted Voting I Shares will be entitled to a fixed voting interest in the Company of up to 9.9% of all outstanding voting rights attached to the Common Shares, inclusive of the percentage interest in the Company represented by Controlled Common Shares (as defined below), but in no event greater than one vote for each Diluted Voting I Share so held.

Each holder of Diluted Voting II Shares shall be entitled to one-third of a vote for each Diluted Voting II Share, provided, that in no event shall a holder of Diluted Voting II Shares have greater than 9.9% of all outstanding voting rights attached to the Common Shares, inclusive of the percentage interest in the Company represented by Controlled Common Shares.

With respect to any holder of Diluted Voting Shares, "Controlled Common Shares" means Common Shares owned directly, indirectly or constructively by such holder within the meaning of Section 958 of the Code and applicable rules and regulations thereunder.

Upon any disposition of the Diluted Voting Shares by the respective holders thereof, the Diluted Voting Shares shall be convertible into an equal number of Full Voting Common Shares on a one-for-one basis at the option of the transferee thereof (the "Diluted Voting Share Purchaser") upon notice to the Company. In all other respects, the Diluted Voting Shares shall have the same terms, rights and preferences as the Full Voting Common Shares.

The Company has reserved for issuance Full Voting Common Shares issuable upon conversion of the Diluted Voting Shares and will apply to the New York Stock Exchange (the "NYSE"), on which the Full Voting Common Shares are presently listed for trading, for the listing of such shares. The Company currently does not intend to list the Diluted Voting Shares on the NYSE.

Proposed Restructuring; Exchange Rights.

Subject to the requisite affirmative vote of each of the Proposals at the Special Meeting, each of GEPT and GEIPPPPI expects to exchange all of the Full Voting Common Shares owned by it for Diluted Voting I Shares and Diluted Voting II Shares, as applicable, and directly or indirectly distribute or contribute, as the case may be, such Diluted Voting I Shares to a wholly owned subsidiary of GEPT ("PT Investments"), and such Diluted Voting II Shares to Insurance L.P. in a manner such that, following the consummation of such actions (collectively, the "Proposed Restructuring"), beneficial ownership of such Diluted Voting I Shares and Diluted Voting II Shares will be as set forth under "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, MANAGEMENT AND DIRECTORS--Beneficial Ownership and Voting Rights After Giving Effect to the Recapitalization and Proposed Restructuring."

Each of WPI and USF&G has informed the Company that, although it has no such present intention, it may, in the future, subject to approval of the Board (which approval is expected to be granted immediately following the Special Meeting), decide to exchange all or a portion of their respective Full Voting Common Shares for an equal number of Diluted Voting I Shares (collectively, the "Exchange Rights"). See "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, MANAGEMENT AND DIRECTORS--Beneficial Ownership and Voting Rights After Giving Effect to the Recapitalization and Proposed Restructuring." Approval of the New Shares Proposal at the Special Meeting will permit

each of WPI and USF&G, subject to approval of the Board (which approval is expected to be granted immediately following the Special Meeting), to exercise its respective Exchange Right at any time without any requisite shareholder action in the future. See "--Certain Considerations--Possible Loss of CFC Status."

Certain Corporate Governance and Other Changes.

The Company also proposes, contingent upon the requisite affirmative vote in favor of the Proposals at the Special Meeting and the consummation of the Recapitalization, that (i) the size of the Board be increased from nine members (presently consisting of eight directors and one vacancy) to eleven members and the Board be authorized to fill the vacancies created thereby without further shareholder action and (ii) the Bye-Laws be amended (x) to reduce the requisite affirmative vote at an annual or special general meeting of the Company's shareholders from at least 66-2/3% of the issued and outstanding capital shares of the Company to the affirmative vote of (I) a majority of all issued and outstanding capital shares of the Company in order to approve an amalgamation or reorganization of the Company, and (II) a majority of the voting rights attached to all issued and outstanding Common Shares in order to approve an acquisition of all or substantially all of the assets of the Company, a liquidation, dissolution or winding up of the Company or the amendment to or repeal of such relevant Bye-law; (y) to reduce the quorum requirement relating to shareholder votes contemplated by Bye-law 43(b); and (z) providing that the Board shall, with respect to any matter required to be submitted to a vote of the shareholders of Renaissance Reinsurance, be required to submit a proposal relating to such matters to the shareholders of the Company and shall vote all the shares of Renaissance Reinsurance owned by the Company in accordance with and proportional to such vote of the Company's shareholders. The change contemplated by clause (z) of the preceding sentence shall no longer apply at such time as Renaissance Reinsurance shall no longer be a subsidiary of the Company or such time as no Diluted Voting Shares shall be outstanding.

Additionally, the Company and the Founding Institutional Investors contemplate that, contingent upon the requisite affirmative vote in favor of the Proposals at the Special Meeting and the consummation of the Recapitalization, (i) the existing shareholders agreement, dated as of August 1, 1995 (the "Shareholders Agreement"), by and among the Company and the Founding Institutional Investors, will be amended and restated (the "Amended Shareholders Agreement") to provide, among other things, that each of PT Investments, in place of GEPT, and Insurance L.P., in place of GEIPPPPI, will have the right to designate one member to the Board, subject to certain terms and conditions set forth therein; and (ii) the existing registration rights agreement, dated as of May 7, 1996 (the "1996 Registration Rights Agreement"), by and among the Company, the Founding Institutional Investors and certain officers and employees of the Company (collectively, the "Management Investors") will be amended and restated (the "Amended Registration Rights Agreement") to provide, among other things, that the Diluted Voting Shares and the Full Voting Common Shares issued upon conversion thereof will be entitled to registration as provided therein. See "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, MANAGEMENT AND DIRECTORS--Shareholders Agreement" and "--Registration Rights."

RECOMMENDATION OF THE BOARD

The Board met on October 18, 1996 to consider reports from Management concerning the terms and conditions of the Recapitalization. At that meeting, the Board, after considering the factors set forth below, by a unanimous vote (Messrs. Greene, Igou, Lee, Lummis and Newman did not participate in such determination and vote), determined that the terms and conditions of the Recapitalization and the Proposals, considered as a whole, are fair to, and in the best interests of, the Company and its shareholders. See "--Interests of Certain Parties."

During the course of its deliberations, the Board considered, without assigning relative weights to, the following factors:

- (i) the terms and conditions of the Recapitalization;
- (ii) the Company's reduced RPII exposure as a result of the consummation of the Recapitalization and the Proposed Restructuring;

- (iii) the desire of the Company to accommodate the Founding Institutional Investors, each of whom contributed a significant portion of the Company's initial financing in connection with the formation and capitalization of the Company in June 1993, in a transaction not deemed to be detrimental to the Company;
- (iv) the fact that the Recapitalization will result in relatively greater voting power for the Full Voting Common Shares that remain outstanding;
- (v) the various matters described under "--Certain Considerations" and "--Interests of Certain Parties" below, which the Board concluded do not outweigh or materially detract from the benefits of the Recapitalization to the Company; and
- (vi) the determination by the Company to pay certain fees and expenses related to the Recapitalization, this proxy solicitation and the Special Meeting.

Additionally, the Board appointed a Committee, consisting of Messrs. Cooper, Bahr and Stanard (the "Committee"), and delegated to it all requisite power to authorize and approve such further actions on behalf of the Board as the Committee should deem necessary or desirable to implement the Recapitalization and the matters related thereto, as the Committee should see fit. Pursuant thereto, the Committee met on December 2, 1996, to fix the Record Date and the date and time of the Special Meeting, and to take certain further actions to implement the Recapitalization.

THE BOARD HAS UNANIMOUSLY DETERMINED THAT THE TERMS AND CONDITIONS OF THE RECAPITALIZATION AND EACH OF THE PROPOSALS, CONSIDERED AS A WHOLE, ARE FAIR TO, AND IN THE BEST INTERESTS OF, THE COMPANY AND ITS SHAREHOLDERS. MESSRS. GREENE, IGOU, LEE, LUMMIS AND NEWMAN DID NOT PARTICIPATE IN SUCH DETERMINATION AND VOTE. THE BOARD UNANIMOUSLY RECOMMENDS THAT THE COMPANY'S SHAREHOLDERS VOTE FOR APPROVAL OF EACH OF THE PROPOSALS AT THE SPECIAL MEETING.

CERTAIN CONSIDERATIONS

While the Board of Directors has unanimously determined (Messrs. Greene, Igou, Lee, Lummis and Newman did not participate in such determination and vote) that the terms and conditions of the Recapitalization and each of the Proposals, considered as a whole, are fair to, and in the best interests of, the Company and its shareholders, shareholders should fully consider the following possible consequences of the consummation of the Recapitalization when evaluating the Proposals.

Board Representation; Control of the Company.

A substantial majority of the members of the Board were nominated by the Founding Institutional Investors and elected to the Board pursuant to the Shareholders Agreement. The Founding Institutional Investors may be deemed to control the Company, both presently and following the consummation of the Recapitalization, the Proposed Restructuring and any exercise of the Exchange Rights, subject to approval of the Board. See "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, MANAGEMENT AND DIRECTORS."

Possible Loss of CFC Status.

Each of WPI and USF&G has informed the Company that, although it has no such present intention, it may in the future, subject to approval of the Board (which approval is expected to be granted immediately following the Special Meeting), decide to exchange all or a portion of its Full Voting Common Shares for an equal number of Diluted Voting I Shares. Approval of the New Shares Proposal at the Special Meeting will permit WPI and USF&G, subject to such contemplated approval of the Board, to exercise the Exchange Rights at any time without any requisite shareholder action in the future. Depending on the number of Full Voting Common Shares so exchanged, Renaissance Reinsurance may cease to qualify as a CFC as a result. If Renaissance Reinsurance ceases to qualify as a CFC and is determined to be engaged in business in the

United States, its investment income would be subject to U.S. corporate income tax, as well as the U.S. corporate branch profits tax, even if Renaissance Reinsurance qualifies for benefits under the United States-Bermuda Income Tax Treaty. There can be no assurance that either or both of WPI and USF&G will not exchange their Full Voting Common Shares for Diluted Voting I Shares in the future or that the Company will continue to qualify as a CFC in the future.

INTERESTS OF CERTAIN PARTIES

GEPT, GEIPPPPI, WPI and USF&G are Founding Institutional Investors of the Company and each contributed a substantial portion of the Company's initial capitalization in 1993 upon its formation. Pursuant to the Shareholders Agreement, since the Company's formation (i) Edmund D. Greene, an employee of General Electric Company, an affiliate of GEIPPPPI, has served as GEIPPPPI's designee to the Board; (ii) Gerald L. Igou, an officer of General Electric Investment Corporation, an affiliate of GEIPPPPI, has served as GEPT's designee to the Board; (iii) John M. Lummis, an officer of USF&G Corporation, the parent company of USF&G, has served as USF&G's designee to the Board; and (iv) Howard H. Newman, a managing director of E.M. Warburg, Pincus & Co., Inc., an affiliate of WPI ("EMW"), has served as a WPI designee to the Board. Kewsong Lee, an officer of Warburg, Pincus Ventures, Inc., an affiliate of WPI ("WP Ventures"), has served as a WPI designee to the Board pursuant to the Shareholders Agreement since December 1994. None of Messrs. Greene, Igou, Lee, Lummis and Newman participated in the determination of, and vote on, the terms and conditions of the Recapitalization, or the recommendation of the Board that the Company's shareholders vote for approval of the Proposals at the Special Meeting, at the Board meeting held on October 18, 1996.

Pursuant to the Amended Shareholders Agreement, each of PT Investments and Insurance L.P. will have the right to appoint one director to the Board in accordance with the terms and conditions set forth therein, subject to the requisite affirmative vote of each of the Proposals and contingent upon the consummation of the Recapitalization. The Amended Shareholders Agreement will provide that the number of directors serving on the Board be fixed at eleven. Each of WPI and USF&G may, following approval of the Proposals by the Company's shareholders at the Special Meeting and subject to approval of the Board (which approval is expected to be granted immediately following the Special Meeting), exercise its Exchange Right at any time without further shareholder action, subject to the requisite affirmative approval of the New Shares Proposal at the Special Meeting. See "THE RECAPITALIZATION--Certain Considerations" and "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, MANAGEMENT AND DIRECTORS--Shareholders Agreement."

SHAREHOLDERS AGREEMENT

The Shareholders Agreement (which the parties thereto intend, upon shareholder approval of the Proposals at the Special Meeting, to amend and restate as discussed below) provides the Founding Institutional Investors with the ability, if they act in concert, to elect a majority of the members of the Board and approve or prevent certain actions requiring shareholder approval, including adopting amendments to the Company's Bye-laws and approving a merger or consolidation, liquidation or sale of all or substantially all of the assets of the Company.

The Shareholders Agreement presently provides that, at all times, three Board members will be designated by WPI (the "WPI Directors"), two Board members will be designated by GEPT (the "GEPT Directors"), one Board member will be designated by GEIPPI (the "GEIPPI Director") and one Board member will be designated by

USF&G (the "USF&G Director"). At such time as either (i) WPI or (ii) GEPT and GEIPPPPI, in the aggregate, owns less than 3,706,144 Full Voting Common Shares, but at least 1,853,073 Full Voting Common Shares, the number of directors that either (i) WPI or (ii) GEPT and GEIPPPPI, in the aggregate, as the case may be, are entitled to nominate shall be reduced to two and the number of directors shall be reduced accordingly. At such time as either (i) WPI or (ii) GEPT and GEIPPPPI, in the aggregate, shall own less than 1,853,073 Full Voting Common Shares, but at least 741,229 Full Voting Common Shares, the number of directors that either (i) WPI or (ii) GEPT and GEIPPPPI, in the aggregate, as the case may be, are entitled to nominate shall be reduced to one and the number of directors shall be reduced accordingly. At such time as any of (i) WPI, (ii) GEPT and GEIPPPPI, in the aggregate, or (iii) USF&G shall own less than 741,229 Full Voting Common Shares, such party is no longer entitled to nominate any director and the number of directors shall be reduced accordingly.

Subject to the requisite affirmative vote at the Special Meeting of each of the Proposals and contingent upon the consummation of the Recapitalization, the Company, WPI, PT Investments, Insurance L.P. and USF&G will enter into the Amended Shareholders Agreement pursuant to which the number of directors serving on the Board will be fixed at eleven. Pursuant to the Amended Shareholders Agreement, initially three Board members will be WPI Directors, one Board member will be designated by PT Investments, one Board member will be designated by Insurance L.P. and one Board member will be the USF&G Director. At such time as WPI shall own less than 3,706,144 Common Shares but at least 1,853,073 Common Shares, the number of directors that WPI will be entitled to nominate shall be reduced to two. At such time as WPI shall own less than 1,853,073 Common Shares, but at least 741,229 Common Shares, the number of directors WPI will be entitled to nominate shall be one. At such time as any of WPI, PT Investments or USF&G shall own less than 741,229 Common Shares, such party shall no longer be entitled to nominate any director to the Board. Insurance L.P., so long as it owns any Common Shares, shall be entitled to nominate one director. At such time as PT Investments and Insurance L.P. shall, in the aggregate, own less than 1,853,073 Common Shares, then PT Investments shall not have any right to nominate a director and Insurance L.P. shall have the right to nominate one director. At such time as Insurance L.P. shall own no Common Shares and PT Investments shall own at least 741,229 Common Shares, Insurance L.P. shall not have the right to nominate a director and PT Investments shall have the right to nominate one director.

REGISTRATION RIGHTS

Pursuant to the 1996 Registration Rights Agreement (which the parties thereto intend, upon shareholder approval of the Proposals, to amend as discussed below), each of the Founding Institutional Investors and the Management Investors has the right to require registration by the Company on two separate occasions at any time of any Common Shares owned by the Founding Institutional Investors and the Management Investors and any capital shares of the Company issued as a dividend or other distribution with respect to, or in exchange for or in replacement of, any such shares (the "Registrable Shares"). The Company has the right once in any twelve-month period to not effect a demand for registration for up to 120 days if, in the good faith judgment of the Board, it would be seriously detrimental to the Company and its shareholders to effect such registration. In connection with such registrations, the Company will be required to bear all registration and selling expenses, other than underwriting fees and commissions. Registration rights under the 1996 Registration Rights Agreement are transferable to an assignee or transferee of Registrable Shares.

Subject to the requisite affirmative vote at the Special Meeting of each of the Proposals and contingent upon the consummation of the Recapitalization, the Company, WPI, PT Investments, Insurance L.P., USF&G and the Management Investors will enter into the Amended Registration Rights Agreement pursuant to which each such party will have the right to require registration by the Company on two separate occasions at any time of the Full Voting Common Shares, Diluted Voting Shares or Full Voting Common Shares issued upon conversion of Diluted Voting Shares (collectively, the "Registrable Securities") held by any such person, as the case may be; provided, however, that the Company shall be

required to honor a demand for registration of the Diluted Voting Shares only if it shall be a condition to the delivery of the Diluted Voting Shares contemplated by such registration that, immediately following the sale thereof by such holder, such Diluted Voting Shares shall be converted into Full Voting Common Shares. The Company will have the right once in any twelve-month period to not effect a demand for registration for up to 120 days if, in the good faith judgment of the Board, it would be seriously detrimental to the Company and its shareholders to effect such registration. In connection with such registrations, the Company will be required to bear all registration and selling

expenses, other than underwriting fees and commissions. The Company currently does not intend to list the Diluted Voting Shares on the NYSE. Registration rights under the Amended Registration Rights Agreement will be transferable to an assignee or transferee of Registrable Securities in accordance with the terms of the Amended Registration Rights Agreement.

The Company has filed a registration statement on Form S-8 (File No. 333-06339) under the Securities Act registering for sale Full Voting Common Shares issued upon the exercise of options granted pursuant to the Incentive Plan and the RenaissanceRe Holdings Ltd. Non-Employee Director Stock Plan.
