RenaissanceRe Holdings Ltd., and Subsidiaries
Notes to Consolidated Financial Statements
(Expressed in United States Dollars)
(Unaudited)

1. The consolidated financial statements have been prepared on the basis of United States generally accepted accounting principles ("GAAP") for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. The consolidated financial statements include the accounts of RenaissanceRe Holdings Ltd. ("RenaissanceRe") and its wholly owned subsidiaries, including Renaissance Reinsurance Ltd. ("Renaissance Reinsurance"), Glencoe Insurance Ltd. ("Glencoe"), Renaissance U.S. Holdings, Inc. ("Renaissance U.S.") and RenaissanceRe Capital Trust (the "Trust"). Other related entities include DeSoto Insurance Company ("DeSoto"), a wholly owned subsidiary of Glencoe; Nobel Insurance Company ("Nobel"), a wholly owned subsidiary of Renaissance U.S.; and Renaissance Reinsurance of Europe ("Renaissance Europe"), a subsidiary of Renaissance Reinsurance. RenaissanceRe and its subsidiaries are collectively referred to herein as the "Company". All intercompany transactions and balances have been eliminated on consolidation. Minority interests represent the interests of external parties in respect of net income and shareholders' equity of Glencoe and the Trust. Certain comparative information has been reclassified to conform to the current presentation. Because of the seasonality of the Company's business, the results of operations for any interim period will not necessarily be indicative of results of operations for the full fiscal year.

2. Significant Accounting Policies

a) Segment Reporting

In June 1997, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 131, "Disclosures about Segments of an Enterprise and Related Information," which revises disclosure requirements about operating segments and establishes standards for related disclosures about products and services, geographic areas and major customers. SFAS No. 131 requires that public business enterprises report financial and descriptive information about their reportable operating segments. The Company's reportable segments are the reinsurance and primary insurance segments. The Company adopted SFAS No. 131 as of December 31, 1998.

b) Derivative Instruments and Hedging Activities

In June 1998, the FASB issued SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities." SFAS No. 133 establishes accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging activities. It requires that an entity recognize all derivatives as either assets or liabilities in the statement of financial position and measure those instruments at fair value. SFAS No. 133 is effective for all fiscal years beginning after June 15, 2000. Currently, the

-7-

Company does not expect the adoption of SFAS No. 133 to have a material impact on its consolidated financial statements.

3. The Company utilizes reinsurance to reduce its exposure to large losses. The Company currently has in place contracts that provide for recovery of a portion of certain claims and claims expenses from reinsurers in excess of various retentions and loss warranties. The Company would remain liable to the extent that any third party reinsurance company fails to meet its obligations. The earned reinsurance premiums ceded were \$89.7 and \$35.2 million for the nine months ended September 30, 1999 and 1998, respectively. Other than loss recoveries, certain of the Company's ceded reinsurance contracts provide for recoveries of additional premiums, reinstatement premiums and coverage for lost no claims bonuses which are incurred when losses are ceded to those reinsurance contracts. Total recoveries netted against premiums and claims and claim expenses incurred for the nine months ended September 30, 1999 were \$85.9 million compared to \$55.5 million for the nine months ended September 30, 1998.

Included in losses and premiums recoverable are recoverables of \$30.1 million which are related to retroactive reinsurance agreements. In accordance with SFAS No. 113, "Accounting and Reporting for Reinsurance of Short-Duration and Long-Duration Contracts," adverse development related to these retroactive reinsurance contracts are required to be included in claims and claim expenses incurred as they become known. However, the offsetting recoverable is deferred and reflected in the statement of operations in future periods, based on the recovery method. As of September 30, 1999, the Company has deferred \$16.4 million (as of December 31, 1998 - \$27.6 million) of recoveries related to a retroactive reinsurance contract. This has been included in reinsurance balances payable on the consolidated balance sheet. As the amounts are recovered, the recoveries will offset claims and claim expenses incurred in the consolidated statement of operations. During the first nine months of 1999, the Company recognized \$11.2 million as claim recoveries under this contract.

4. Interest expense on outstanding loans was \$5.8 million for the nine month period ended September 30, 1999 and \$3.0 million for the same period in the previous year. The increase in interest expense is due to additional borrowings of \$50 million in 1998 and \$150 million in 1999. See "Financial Condition Capital Resources and Shareholders' Equity" for further discussion.

On September 1, 1999, the Company paid a semi-annual dividend of \$4.3 million on Company obligated mandatorily redeemable capital securities of a subsidiary trust holding solely junior subordinated debentures of the Company ("Capital Securities").

5. Basic earnings per share is based on weighted average common shares and excludes any dilutive effects of options and restricted stock. Diluted earnings per share assumes the exercise of all dilutive stock options and restricted stock grants. The following table sets forth the computation of basic and diluted earnings per share:

-9-

- As of December 31, 1998, the Company adopted SFAS No. 131, "Disclosures about Segments of an Enterprise and Related Information." The Company has two reportable segments: reinsurance operations and primary operations. The reinsurance segment provides property catastrophe reinsurance as well as other reinsurance to selected insurers and reinsurers on a worldwide basis. The primary segment provides insurance both on a direct and on a surplus lines basis for commercial and homeowners catastrophe-exposed property business. Also included in the primary segment are commercial auto and general liability covers as well as surety business which provides coverage to small and mid-size contractors. Segment data for the three and nine month periods ended September 30, 1999 and 1998 are as follows:

The Company's Bermuda holding company is the primary contributor to the results reflected in "Other" segment. The pre tax loss of the holding company primarily consisted of interest expense on bank loans, the minority interest on the Capital Securities, and realized investment losses on the sales of investments, partially offset by investment income on the assets of the holding company.

9. On June 25, 1998, RenaissanceRe, through its U.S. holding company, Renaissance U.S., completed its acquisition of the U.S. operating subsidiaries of Nobel Insurance Limited, a Bermuda company ("Nobel Limited"), for \$56.1 million. The Company has accounted for this acquisition using the purchase method of accounting.

Operating results of Nobel and its affiliates acquired by the Company have been included in the consolidated financial statements from their date of acquisition. As required by Accounting Principles Board Opinion No. 16, the following selected unaudited pro forma information is being provided to present a summary of the combined results of the Company and Nobel and its affiliates assuming the acquisition of Nobel and its affiliates had occurred as of January 1 of each year. The pro forma data is for informational purposes only and does not necessarily represent results which would have occurred if the acquisition had taken place on the basis assumed above, nor is it indicative of the results of future combined operations.

As of September 30, 1999, the Company has completed the sale and/or reinsurance of Nobel's principal business units. Accordingly, future periods will reflect a reduced impact from Nobel and its affiliates.

10. The provision for income taxes is based on income recognized for financial statement purposes and includes the effects of temporary differences between financial and tax reporting. Deferred tax assets and liabilities are determined based on the difference between the financial statement bases and tax bases of assets and liabilities using enacted tax rates.

The Company has U.S. net operating loss carryforwards and future tax deductions of \$22.3 million which are expected to be available to offset regular taxable U.S. income during the carryforward period (through 2018), subject to certain limitations. The tax benefits of these items are reflected in the accompanying table of deferred tax assets and liabilities.

- Effective October 5, 1999 the Company re-negotiated its revolving credit facility increasing the aggregate amount available under the facility from \$200 million to \$275 million. Effective November 8, 1999 the facility was increased to \$300 million. The interest rate under the new facility is 72.5 basis points above LIBOR.
 - Effective October 28, 1999 the Company purchased an additional \$4.5 million of its Capital Securities, recognizing a gain of \$0.9 million, which is reflected in additional paid-in capital.

- c. Effective November 4, 1999 the Company's Board of Directors authorized the Company to buy back an additional \$25 million of common stock.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF RESULTS OF OPERATIONS AND FINANCIAL CONDITION

The following is a discussion and analysis of the Company's results of operations for the three months and nine months ended September 30, 1999 and 1998 and financial condition as of September 30, 1999. This discussion and analysis should be read in conjunction with the attached unaudited consolidated financial statements and notes thereto and the audited consolidated financial statements and notes thereto contained in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 1998.

General

The Company provides reinsurance and insurance where risk of natural catastrophe represents a significant component of the overall exposure. The Company's results depend to a large extent on the frequency and severity of catastrophic events, and the concentration and coverage offered to clients impacted thereby. In addition, from time to time, the Company may consider opportunistic diversification into new ventures, either through organic growth or the acquisition of other companies or books of business. In evaluating such new ventures, the Company seeks an attractive return on equity, the ability to develop or capitalize on a competitive advantage and opportunities that will not detract from its core reinsurance operations. Accordingly, the Company regularly reviews strategic opportunities and periodically engages in discussions regarding possible transactions.

RESULTS OF OPERATIONS

For the quarter ended September 30, 1999 compared to the quarter ended September 30, 1998

For the quarter ended September 30, 1999, net income available to common shareholders was \$24.0 million or \$1.17 per share, compared to \$20.4 million or \$0.91 per share for the same quarter in 1998.

Gross premiums written for the third quarter of 1999 and 1998 were as follows:

(in thousands)	Quarter ended	
	30-Sep-99	30-Sep-98
Renaissance Reinsurance	\$ 79,466	\$ 54,377
Nobel	12,703	18,297
DeSoto	2,951	3,338
Glencoe	2,462	2,105
	-----	-----
	\$ 97,582	\$ 78,117
	-----	-----

-14-

The 46.1 percent increase in written premiums for Renaissance Reinsurance was the result of a 42.6 percent increase in premiums related to new business, a 11.2 percent decrease in premiums due to the Company not renewing coverage and a 14.7 percent increase related to changes in pricing, participation level and coverage on renewed business.

As discussed in the Company's 1998 10-K and its 10-Q's for the quarters ended March 31 and June 30, 1999, the Company has entered into agreements which provide for the sale or reinsurance of Nobel's principal operating units. Accordingly, the Company expects a decrease in future premium volumes, interest income, and related expenses. (See Financial Condition -- Nobel).

During 1999, the Company continued to purchase reinsurance to reduce its exposure to certain losses. During the third quarter of 1999, ceded premiums written were \$39.3 million, compared with \$11.7 million for the same quarter in 1998. The \$27.6 million increase in ceded premiums written is a result of Renaissance Reinsurance purchasing \$17.8 million of additional reinsurance protection during the third quarter of 1999. Also, in conjunction with the process of discontinuing the operations at Nobel, Nobel ceded the majority of its \$12.7 million gross written premiums for the quarter, reflecting net written premiums of only \$0.8 million.

The table below sets forth the Company's combined ratio and components thereof, split by segment for the quarters ended September 30, 1999 and 1998:

<TABLE>
<CAPTION>

Quarter ended:	Reinsurance		Primary		Total	
	30-Sep-99	30-Sep-98	30-Sep-99	30-Sep-98	30-Sep-99	30-Sep-98
<S>	<C>	<C>	<C>	<C>	<C>	<C>
Loss ratio	29.4%	19.8%	75.9%	112.6%	35.9%	45.5%
Expense ratio	27.2%	29.3%	48.4%	28.8%	30.1%	29.2%
Combined ratio	56.6%	49.1%	124.3%	141.4%	66.0%	74.7%

</TABLE>

Claims and claim expenses incurred for the quarter ended September 30, 1999, as a percentage of net earned premiums, were lower for the quarter ended September 30, 1999 due to the inclusion of \$7.4 million of losses related to Nobel in the comparative quarter ended September 30, 1998. The Reinsurance operations included net losses of \$13.7 million or 29.4% of net premiums earned, compared with \$8.4 million for the same period in 1998 or 19.8% of net premiums earned. The primary reason for the increase in net losses for the Reinsurance operations was due to the frequency of catastrophic events reported in the quarter ended September 30, 1999, including earthquakes in Turkey and Taiwan, Hurricane Floyd, and Typhoon Bart. Although individually none of these events contributed materially to the losses reported during the quarter, in the aggregate these events were the primary cause of the increase in the quarterly losses.

Underwriting expenses are comprised of acquisition expenses and operational expenses. Acquisition expenses were \$7.5 million for the quarter ended September 30, 1999 and for the same period in 1998. Operating expenses for the third quarter of 1999 decreased to \$8.8 million compared with \$9.6 million for the same quarter of 1998. Although total operating expenses decreased, operating expenses as a percentage of earned premiums have increased slightly due to the continuation of certain administrative costs for Nobel, with no corresponding net premiums earned.

-15-

Net investment income, excluding realized investment gains and losses, for the third quarter of 1999 was \$15.7 million, compared to \$13.3 million for the same period in 1998. The increase in net investment income reflects an increase in investment yields and an increase in invested assets, partially due to the \$150 million of increased borrowings under the Company's revolving credit facility.

Interest expense and minority interest for the quarter ended September 30, 1999 increased to \$4.5 million from \$3.5 million for the same period in 1998. The increase was primarily related to \$150 million of additional borrowings under the Company's revolving credit facility, \$125 million of which was drawn on August 13, 1999. See Financial Condition - Capital Resources and Shareholders' Equity.

For the nine months ended September 30, 1999 compared to the nine months ended September 30, 1998

For the nine months ended September 30, 1999, net income available to common shareholders was \$78.0 million or \$3.74 per share, compared to \$84.6 million or \$3.74 per share for the same period in 1998.

Gross premiums written for the nine months ended September 30, 1999 and 1998 were as follows:

<TABLE>

<CAPTION>

(in thousands)	Nine months ended	
	30-Sep-99	30-Sep-98
<S>	<C>	<C>
Renaissance Reinsurance	\$ 269,688	\$ 201,259

DeSoto	7,444	18,591
Glencoe	3,639	4,966
	\$ 320,051	\$ 243,113

</TABLE>

The 34.0 percent increase in written premiums for Renaissance Reinsurance was the result of a 45.1 percent increase in premiums related to new business, timing differences and non-recurring business, a 18.5 percent decrease in premiums due to the Company not renewing coverage and a 17.4 percent increase related to changes in pricing, participation level and coverage on renewed business. The purchase of Nobel was completed in June of 1998, and accordingly premiums written in the first nine months of 1998 reflect only three months of premiums written by Nobel, whereas the gross premiums written for the nine months ended September 30, 1999 reflect three quarters of premiums related to Nobel. The 1998 premium volume in DeSoto includes its initial assumption of

approximately 12,000 policies and in force premium of approximately \$10 million.

-16-

As discussed in the Company's 1998 10-K and its 10-Q's for the quarters ended March 31 and June 30, 1999, the Company has entered into agreements which provide for the sale or reinsurance of Nobel's principal operating units. Accordingly, the Company expects a decrease in future premium volumes, interest income, and related expenses. (See Financial Condition -- Nobel).

During 1999, the Company continued to purchase reinsurance to reduce its exposure to certain losses. During the first nine months of 1999, ceded premiums written were \$110.6 million, compared with \$59.1 million for the same period in 1998. The increase in ceded premiums primarily relates to two items; 1) Renaissance Reinsurance purchased a greater amount of reinsurance coverage for the first nine months of 1999 (\$70.9 million), compared with the first nine months of 1998 (\$39.8 million), and 2) with the reduction in the operations at Nobel, Nobel has ceded the majority of its gross premiums written, totaling \$24 million of ceded premium in the first nine months of 1999 compared with \$5.0 million for the first nine months of 1998.

The table below sets forth the Company's combined ratio and components thereof, split by segment for the nine months ended September 30, 1999 and 1998:

<TABLE>
<CAPTION>

	Reinsurance		Primary		Total	
	30-Sep-99	30-Sep-98	30-Sep-99	30-Sep-98	30-Sep-99	30-Sep-98

Expense ratio	26.5%	28.0%	22.0%	30.2%	28.1%	28.4%
Combined ratio	56.0%	46.5%	74.0%	113.7%	61.2%	58.0%

</TABLE>

Claims and claim expenses incurred for the nine months ended September 30, 1999, as a percentage of net earned premiums, increased from the prior year due to a \$19 million increase in losses for the Reinsurance operations. The increase in losses of the Reinsurance operations primarily related to 1) increased catastrophic events during the third quarter of 1999 (Hurricane Floyd, earthquakes in Turkey and Taiwan and Typhoon Bart); 2) losses related to Australia hail storms and Oklahoma tornadoes during the second quarter of 1999; and 3) initial reserve estimates on events occurring during the first quarter of 1999, partially offset by reductions in reserves relating to accident years 1997 and prior.

Underwriting expenses are comprised of acquisition expenses and operational expenses. Acquisition expenses were \$20.3 million for the nine months ended September 30, 1999 and \$19.4 million for the same period in 1998. Although operating expenses, as a percentage of net premiums earned, remained relatively flat for the period, total operating expenses for the first nine months of 1999 increased to \$27.4 million compared with \$23.8 million for the same period of 1998. The primary cause for the increase in operating expenses was an increase in operating costs associated with the Company's primary operations, and certain one time costs, including severance costs, related to Nobel and the discontinuance of the majority of its operations.

Net investment income, excluding realized investment gains and losses, for the nine months ended September 30, 1999 was \$42.9 million, compared to \$39.6 million for the same period in 1998. The increase in net investment income reflects an increase in investment yields and an

-17-

increase in invested assets, partially due to the \$150 million of increased borrowings under the Company's revolving credit facility.

Corporate expenses increased to \$8.6 million for the nine months ended September 30, 1999, compared with \$2.9 million for the same period in 1998. The increase primarily relates to a write-off of \$6.6 million of goodwill related to the purchase of the operating subsidiaries of Nobel Limited.

Interest expense and minority interest for the nine months ended September 30, 1999 increased to \$11.9 million from \$10.0 million for the same period in 1998. The increase was primarily related to \$150 million of additional borrowings under the Company's revolving credit facility, \$125 million of which was drawn on August 13, 1999.

FINANCIAL CONDITION

Liquidity and Capital Requirements

As a holding company, RenaissanceRe relies on investment income and cash dividends and permitted payments from its subsidiaries to make principal payments, interest payments, cash distributions on outstanding obligations and pay quarterly dividends, if any, to its shareholders. The payment of dividends by the Company's Bermuda subsidiaries to RenaissanceRe is, under certain circumstances, limited under Bermuda insurance law. The Bermuda Insurance Act of 1978, amendments thereto (the "Act") and related regulations of Bermuda require the Company's Bermuda subsidiaries to maintain certain measures of solvency and liquidity. As at September 30, 1999 the statutory capital and surplus of the Company's Bermuda subsidiaries was \$655.0 million, and the amount required to be maintained was \$101.0 million.

Glencoe is also eligible as an excess and surplus lines insurer in a number of states in the U.S. There are various capital and surplus requirements in these states, with the most onerous requiring Glencoe to maintain a minimum of \$15 million in capital and surplus. In this regard, the declaration of dividends from retained earnings and distributions from additional paid-in capital are limited to the extent that the above requirements are met. Through September 30, 1999, Renaissance Reinsurance paid aggregate cash dividends of \$64.4 million compared to \$94.8 for the same period in 1998.

The Company's U.S. insurance subsidiaries are subject to various statutory and regulatory restrictions regarding the payment of dividends. The restrictions are primarily based upon statutory surplus and statutory net income. The U.S. insurance subsidiaries' combined statutory surplus amounted to \$29.1 million at September 30, 1999 and the amount required to be maintained was \$27.6 million.

RenaissanceRe's subsidiaries also maintain a concentration of investments in high quality liquid securities, which management believes will provide sufficient liquidity to meet extraordinary claims payments should the need arise. Also, the Company maintains a revolving credit facility from which it has recently drawn \$125 million bringing the balance of bank loans to \$250

-18-

million as of September 30, 1999. See Financial Condition - Capital Resources and Shareholders' Equity.

Nobel
- -----

As previously announced, during the fourth quarter of 1998 the Company recorded an after-tax charge of \$40.1 million, related to the operations of Nobel and its affiliates. As a result, during the first nine months of 1999, the Company completed the reinsurance of the casualty and surety books of business and signed agreements under which its bail and low-value dwelling books of business have been assumed by third parties, with obligations to make certain future payments to Nobel based on future revenues and/or profitability of these businesses. Also, Nobel has completed the sale of its IAS/Cat Crew subsidiary to its management team in an earn-out transaction.

The Company expects that Nobel and its affiliates will continue to conduct certain functions of the casualty, surety, low-value dwelling and bail businesses on a transitional basis. Renaissance U.S. expects to retain ownership of Nobel along with its licenses in the 50 U.S. states, although there can be no assurance that such licenses can be successfully maintained following such sales.

Cash Flows
- -----

The Company's Bermuda operating subsidiaries have historically produced sufficient cash flows to meet expected claims payments and operational expenses and to provide dividend payments to RenaissanceRe.

Cash flows from operating activities for the nine months ended September 30, 1999 resulted principally from premium and investment income, reinsurance recoveries, net of paid losses, acquisition costs and underwriting expenses. Cash flows from operations in the first nine months of 1999 were \$84.5 million, compared to \$74.8 million for the same period in 1998. The Company has produced cash flows from operations for the full years of 1998 and 1997 significantly in excess of its commitments. To the extent that capital is not utilized in the Company's reinsurance business, the Company will consider using such capital to invest in new opportunities or will consider returning such capital to its shareholders.

Because of the potential high severity and low frequency of losses on the coverages written by the Company, and the seasonality of the Company's business, it is not possible to accurately predict the Company's future cash flows from operating activities. As a consequence, cash flows from operating activities may fluctuate, perhaps significantly, between individual quarters and years.

-19-

Reserves

During the nine months ended September 30, 1999 the Company incurred net claims of \$56.1 million and paid net losses of \$20.2 million. The Company's policy of purchasing reinsurance coverage continues to have a favorable impact on net incurred claims. Due to the high severity and low frequency of losses related to the property catastrophe insurance and reinsurance business, there can be no assurance that the Company will continue to experience this level of losses.

For the Company's reinsurance operations, estimates of claims and claim expenses are based in part upon estimation of claims resulting from catastrophic events. Estimation by the Company of claims resulting from catastrophic events based upon its own historical claim experience is inherently difficult because of the Company's short operating history and the potential severity of property catastrophe claims. Therefore, the Company utilizes both proprietary and commercially available models, as well as historical reinsurance industry property catastrophe claims experience, for purposes of evaluating future trends and providing an estimate of ultimate claims costs.

With respect to both the Company's reinsurance and primary operations, the Company uses statistical and actuarial methods to reasonably estimate ultimate expected claims and claim expenses. The period of time between the reporting of a loss to the Company and the settlement of the Company's liability may be several years. During this period, additional facts and trends may be revealed. As these factors become apparent, case reserves may be adjusted, sometimes requiring an increase in the overall reserves of the Company, and at other times requiring a reallocation of IBNR reserves to specific case reserves. These estimates are reviewed regularly and such adjustments, if any, are reflected in results of operations in the period in which they become known and are accounted for as changes in estimates.

Capital Resources and Shareholders' Equity

The total capital resources of the Company as at September 30, 1999 and December 31, 1998 was as follows:

RenaissanceRe has a \$200 million revolving credit agreement with a syndicate of commercial banks. During the third quarter of 1999, the Company drew down an additional \$125 million under this facility, bringing total drawings under the facility to \$200 million as of September 30, 1999. The funds drawn during the quarter were deposited in the accounts of RenaissanceRe and have increased the liquidity at the parent company. The additional borrowings are available, if necessary, to be contributed to the operating subsidiaries following a large catastrophic event. As of September 30, 1999 the liquidity at the Parent Company, RenaissanceRe, is greater than \$230 million.

Subsequent to September 30, 1999 the Company re-negotiated the revolving credit facility and, among other things, increased the commitment from \$200 million to \$300 million. See Footnote 11, Subsequent Events.

Interest rates on the facility are based on a spread above LIBOR and averaged approximately 5.6 percent during the first nine months of 1999 (6.1 percent for the same period in 1998). The credit agreement contains certain financial covenants including requirements of a consolidated debt to capital ratio of 0.35:1; a consolidated net worth of not less than 125 percent of consolidated debt; and 80 percent of invested assets to be rated BBB- or better. The Company was in compliance with all the covenants of this revolving credit and term loan agreement as at September 30, 1999.

In connection with the Company's purchase of Nobel in June 1998, Renaissance U.S. has a \$35 million term loan and \$15 million revolving loan facility with a syndicate of commercial banks. Interest rates on the facility are based upon a spread above LIBOR, and averaged approximately 5.8 percent during the first nine months of 1999. The Credit Agreement contains certain financial covenants, the primary one being that RenaissanceRe, as the principal guarantor, maintains a

ratio of liquid assets to debt service of 4:1. This five year term loan has mandatory repayment provisions approximating 25 percent in each of years two through five. The Company was in compliance with all the covenants of this term loan and revolving loan facility as at September 30, 1999.

The Capital Securities pay cumulative cash distributions at an annual rate of 8.54 percent, payable semi-annually. The Indenture relating to the Capital Securities contains certain covenants, including a covenant prohibiting the payment of dividends by the Company if the Company shall be in default under the Indenture. The Company was in compliance with all of the covenants of the Indenture at September 30, 1999.

During the first nine months of 1999, shareholders' equity increased by \$0.6 million, from \$612.2 million at December 31, 1998 to \$612.8 million at September 30, 1999. The significant components of the change included an increase in the unrealized depreciation on investments of \$11.7 million, the payment of dividends of \$22.0 million and the repurchase of common shares of \$48.6 million, offset by net income from continuing operations of \$78.0 million.

Investments

-21-

The table below shows the aggregate amounts of investments available for sale, equity securities and cash and cash equivalents comprising the Company's portfolio of invested assets:

<TABLE>
<CAPTION>

(in thousands)	September 30, 1999	December 31, 1998

<S>	<C>	<C>
Investments available for sale, at fair value	\$ 910,728	\$799,995
Short term investments	19,605	24,983

Cash and cash equivalents	169,636	115,701

TOTAL INVESTED ASSETS	\$1,125,347	\$942,309
=====		

</TABLE>

The Company's current investment guidelines call for the invested asset portfolio, including cash and cash equivalents, to have at least an average AA rating as measured by Standard & Poor's Ratings Group. At September 30, 1999, the invested asset portfolio had a dollar weighted average rating of AA, an average duration of 2.75 years and an average yield to maturity of 6.8 percent, prior to investment expenses.

All fixed income securities in the Company's investment portfolio are classified as securities available for sale and are carried at fair value. Any unrealized gains or losses as a result of changes in fair value over the period such investments are held are not reflected in the Company's statement of operations, but rather are reflected in accumulated other comprehensive income in the consolidated statement of shareholders' equity, in accordance with SFAS No. 115 and 130.

As at September 30, 1999 the Company held investments and cash totaling \$1.1 billion with a net unrealized depreciation balance of \$16.8 million. The Company's investment portfolio is subject to the risks of declines in realizable value. The Company attempts to mitigate this risk through the diversification and active management of its portfolio.

At September 30, 1999, \$14.0 million of cash and cash equivalents were invested in currencies other than the U.S. dollar, which represented less than 1 percent of the Company's invested assets.

Derivative Instruments

The Company has assumed risk through catastrophe and weather linked securities and derivative instruments under which losses could be triggered by an industry loss index or natural parameters. For the nine months ended September 30, 1999 the Company's activities with respect to these securities has approximated \$1.1 million of fees and risk premiums compared to \$2.2 million for the same period in 1998. To date the Company has not experienced any losses from such securities or derivatives. The Company may in the future also utilize other derivatives.

-22-

Effects of Inflation

The potential exists, after a catastrophe loss, for the development of inflationary pressures in a local or regional economy. The anticipated effects on the Company are implicitly considered in the Company's catastrophe loss models. The effects of inflation are also considered in pricing and in

estimating reserves for unpaid claims and claim expenses. The actual effects of this post event inflation on the results of the Company cannot be accurately known until claims are ultimately settled.

Year 2000 Readiness Disclosures

Certain computer programs and embedded computer chips use only the last two digits to refer to a year. Therefore, during computer operations, the "00" may be interpreted as being the year 1900, instead of the Year 2000. If not corrected, many computer systems could fail or create erroneous results. Computer systems, equipment and programs that are free from the Year 2000 problem are generally referred to as being compliant.

Year 2000 - Internal Systems

The Company has completed an assessment of its internal business applications and computer systems, including those used in underwriting, policy processing and recording policy details. The Company believes that all critical business applications and systems will function properly with respect to dates associated with the Year 2000. The Company has backup systems in place for power, certain infrastructure facilities and computer systems in the event of such system failures. While there can be no assurance that these systems will be free from failure, the Company believes that any failure from its internal systems will not materially impact the Company's results of operations or financial condition.

Year 2000 Exposure from Third Parties; Contingency Plan

The Company has evaluated its potential exposures from the non-compliance, if any, of its vendors' and customers' systems with the Year 2000. The Company does not believe that there will be any significant disruption of business from such vendors and customers. However, there can be no assurance that the systems of its vendors and customers, on which the Company relies for supporting information and certain services, will be Year 2000 compliant and will not have an effect on the Company's business operations, financial results or financial condition.

The Company has a contingency plan in the event that certain communication systems, key utilities, or vendor systems prove not to be Year 2000 compliant. However, the Company realizes that any reasonable contingency plan cannot accurately account for all possible scenarios which may arise as a result of Year 2000 related computer problems. The Company has evaluated the status of its Year 2000 exposures and has modified its contingency plan as needed.

Year 2000 Policy Coverage

-23-

In addition to the risks and costs associated with its internal systems and third party vendors, the Company continues to evaluate its underwriting risk arising from potential losses associated with Year 2000 failures. Variables which may affect the pervasiveness and severity of Year 2000 problem include, but are not limited to, the magnitude of the amount of costs and expenses directly attributable to Year 2000 failures, the portion of such amount, if any, that constitutes insurable losses, and the extent of governmental intervention. Moreover, many standard insurance and reinsurance contracts neither explicitly include nor explicitly exclude coverage for Year 2000 failures. The Company does not believe that Year 2000 losses should be covered under the standard forms of contracts that it provides. However, some Year 2000 related losses may or may not be determined to be covered under standard insurance and reinsurance contracts, depending upon the specific contract language, the applicable case law, and the facts and circumstances of each loss. The Company's Year 2000 initiative seeks to minimize its potential Year 2000 underwriting exposure by (1) performing an underwriting evaluation of potential Year 2000 exposures; (2) declining to renew certain contracts where the Company believes the potential risk from Year 2000 losses is too great, and (3) structuring reinsurance and insurance contractual language to mitigate potential exposure. The Company cannot be certain that these steps will adequately minimize its Year 2000 underwriting exposures, and given the possible magnitude of the Year 2000 problem, the Company may incur Year 2000 insurance coverage related losses. The Company believes it is taking reasonable and appropriate measures in the course of its business operations and client relationships to avoid or mitigate such Year 2000 related exposures.

Current Outlook

The competitive pressures that have existed since 1995 have continued in the property catastrophe market during 1999. However, due to recent industry losses, and the related contraction of capacity in the market, the Company has seen price increases in certain pockets of the property catastrophe market, and has accordingly increased its gross written premiums during the year.

Because of continued catastrophic loss activity, the Company anticipates that additional price increases may occur in other pockets of the property catastrophe market. At this time, the Company does not believe that there will

be a large upswing in pricing across all market segments, and believes that there continues to be numerous transactions in the market that are under priced. Identifying and avoiding such transactions requires significant underwriting skill, which the Company believes it possesses.

The Company believes that because of its competitive advantages, including its technological capabilities and its relationships with leading brokers and ceding companies, that it will continue to find additional opportunities in the property catastrophe reinsurance business that otherwise would not be available.

The Company believes that its aggregate cost for reinsurance protection may level off during the upcoming year. It is possible that a portion of the Company's reinsurance protection may become uneconomical to justify continued purchases by the Company. Further, because of

-24-

recent loss activity, the cost of the Company's "core" reinsurance protection may increase slightly during the upcoming year.

The Company announced an additional \$25 million share buyback in November 1999. Although any share repurchase activity is subject to market conditions, if the Company were to complete these repurchases, such repurchases could reduce the Company's interest income in the future.

The Company has entered into agreements which provide for the sale and reinsurance of Nobel's principal operating units. Accordingly, the Company believes that its future consolidated results will reflect a reduced impact from Nobel and its affiliates. During the first nine months of 1999, the Company recorded \$39.2 million of gross written premiums, \$15.2 million of net premiums written and net income of \$2.4 million related to Nobel and its affiliates. The Company expects that Nobel and its affiliates will continue to conduct certain functions on a transitional basis and that the Company will continue to maintain ownership of Nobel along with its licenses in the 50 U.S states although there can be no assurance that such licenses can be successfully maintained.

The Company's financial strength has enabled it to pursue opportunities outside of the property catastrophe reinsurance market into the catastrophe exposed primary insurance market. The Company believes that its financial strength will enable it to continue to pursue other opportunities in the future. There can be no assurance that the Company's pursuit of such opportunities will materially impact the Company's financial condition and results of operations.

During recent fiscal years there has been considerable consolidation among leading brokerage firms and also among the Company's customers. Although consolidations may continue to occur, the Company believes that its financial strength, its position as one of the market leaders in the property catastrophe reinsurance industry and its ability to provide innovative products to the industry will minimize any effect on the Company's business.

Note on Forward-Looking Statements

This report contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Exchange Act. Forward-looking statements are statements other than historical information or statements of current condition. Some forward-looking statements may be identified by use of terms such as "believes," "anticipates," "intends," or "expects." These forward-looking statements relate, among other things, to the plans and objectives of the Company for future operations. In light of the risks and uncertainties inherent in all future projections, the inclusion of forward-looking statements in this report should not be considered as a representation by the Company or any other person that the objectives or plans of the Company will be achieved. Numerous factors could cause the Company's actual results to differ materially from those in the forward-looking statements, including the following: (i) the occurrence of catastrophic events with a frequency or severity exceeding the Company's estimates; (ii) a decrease in the level of demand for property catastrophe reinsurance, or increased competition in the industry; (iii) the lowering or loss of one of the financial or claims-paying ratings of the Company or one or more of its subsidiaries; (iv)

-25-

risks associated with implementing business strategies of the Company; (v) uncertainties in the Company's reserving process; (vi) failure of the Company's reinsurers to honor their obligations; (vii) actions of competitors including industry consolidation; (viii) loss of services of any one of the Company's key executive officers; (ix) the passage of federal or state legislation subjecting Renaissance Reinsurance to supervision or regulation including additional tax regulation, in the United States or other jurisdictions in which the Company operates; (x) challenges by insurance regulators in the United States to Renaissance Reinsurance's claim of exemption from insurance regulation under the current laws; (xi) changes in economic conditions, including currency rate conditions which could affect the Company's investment portfolio; (xii) risks relating to the Year 2000 issue; or (xiii) a contention by the United States

Internal Revenue Service that the Company or Renaissance Reinsurance is engaged in the conduct of a trade or business within the U.S. The foregoing review of important factors should not be construed as exhaustive; the Company undertakes no obligation to release publicly the results of any future revisions it may make to forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Market Sensitive Instruments

The Company's investment portfolio includes investments which are available for trading purposes and which are subject to changes in market values with changes in interest rates. The aggregate hypothetical loss generated from an immediate adverse parallel shift in the treasury yield curve of 100 basis points would cause a decrease in total return of 2.75 percent, which equates to a decrease in market value of approximately \$30.0 million on a portfolio valued at \$825.0 million at September 30, 1999. An immediate time horizon was used, as this presents the worst-case scenario.

W I T N E S S E T H:

WHEREAS, the Borrower desires to obtain commitments from the LC Issuer and the Lenders whereby the Lenders would make loans to the Borrower and the LC Issuer would issue (and the Lenders would participate in) letters of credit to counterparties under catastrophe-linked financial swaps or issuers of other catastrophe-linked securities or derivatives;

liability of any other Person (other than by endorsements of instruments in the
course of collection), or for the payment of dividends or other distributions

SECTION 2.5. Conversion and Continuation Elections. (a) The

Borrower may, upon irrevocable written notice to the Administrative Agent in accordance with Section 2.5(b):

(i) elect, as of any Business Day, in the case of Base Rate Loans, or as of the last day of the applicable Interest Period, in the case of any other Type of Loans, to convert any such Loans (or any part thereof in an amount not less than \$5,000,000, or that is in an integral multiple of \$500,000 in excess thereof) into Loans of any other Type; or

(ii) elect, as of the last day of the applicable Interest Period, to continue any Loans having Interest Periods expiring on such day (or any part thereof in an amount not less than \$5,000,000, or that is in an integral multiple of \$500,000 in excess thereof).

(b) The Borrower shall deliver a Notice of Conversion/ Continuation to be received by the Administrative Agent not later than 9:00 a.m. (San Francisco time) at least (x) three Business Days in advance of the Conversion/Continuation Date, if the Loans are to be converted into or continued as Offshore Rate Loans; and (y) one Business Day in advance of the Conversion/Continuation Date, if the Loans are to be converted into Base Rate Loans, specifying:

22

- (i) the proposed Conversion/Continuation Date;
- (ii) the aggregate amount of Loans to be converted or continued;
- (iii) the Type of Loans resulting from the proposed conversion or continuation; and
- (iv) other than in the case of conversions into Base Rate Loans, the duration of the requested Interest Period.

(c) If upon the expiration of any Interest Period applicable to Offshore Rate Loans, the Borrower has failed to select timely a new Interest Period to be applicable to such Offshore Rate Loans, as the case may be, or if any Default or Event of Default then exists, such Offshore Rate Loans shall convert automatically into Base Rate Loans effective as of the expiration date of such Interest Period.

(d) The Administrative Agent will promptly notify each Lender of its receipt of a Notice of Conversion/Continuation, or, if no timely notice is provided by the Borrower, the Administrative Agent will promptly notify each Lender of the details of any automatic conversion. All conversions and continuations shall be made ratably according to the respective outstanding principal amounts of the Loans with respect to which the notice was given held by each Lender.

(e) After giving effect to any conversion or continuation of Loans, there may not be more than five (5) different Interest Periods in effect.

SECTION 2.6. Repayments. (a) Subject to Section 4.4, the Borrower

 may, at any time or from time to time, upon not less than three (3) Business Days' irrevocable notice to the Administrative Agent, ratably prepay Loans in whole or in part, in minimum amounts of \$1,000,000 or any multiple of \$500,000 in excess thereof. Such notice of prepayment shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Lender of its receipt of any such notice, and of such Lender's Pro Rata Share of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein, together with, in the case of prepayment of Offshore Rate Loans, accrued interest to each such date on the amount prepaid and any amounts required pursuant to Section 4.4.

(b) If at any time the aggregate outstanding principal amount of the Credit Extensions shall exceed the Commitments in effect at such time, the Borrower shall make a principal

repayment of Loans and/or cash collateralize the LC Obligations in an amount equal to such excess.

(c) The Borrower shall repay to the Lenders on the Commitment Termination Date the aggregate principal amount of Loans and repay or fully cash collateralize the LC Obligations outstanding on such date.

(d) The Borrower shall, immediately upon any acceleration of the maturity date of the Obligations pursuant to Section 8.2, repay the aggregate

 principal amount of Loans and repay or fully cash collateralize the LC Obligations outstanding on such date.

SECTION 2.7. Interest. (a) Each Loan shall bear interest on the

 outstanding principal amount thereof from the applicable Borrowing Date at a rate per annum equal to, the Offshore Rate or the Base Rate, as the case may be (and subject to the Borrower's right to convert to other Types of Loans under Section 2.5), plus the Applicable Margin.

(b) Interest on each Loan shall be paid in arrears on each Interest Payment Date. Interest shall also be paid on the date of any prepayment of Offshore Rate Loans under Section 2.6 for the portion of the Loans so prepaid

and upon payment (including prepayment) in full thereof and, during the existence of any Event of Default, interest shall be paid on demand of the Administrative Agent at the request or with the consent of the Required Lenders.

(c) Any change in the Applicable Margin, Applicable Non-Use Fee Rate or Applicable LC Fee resulting from a change in the S&P/Moody's Rating shall be effective as of the effective date of the change in the S&P/Moody's Rating. The Borrower agrees promptly upon any change in the S&P/Moody's Rating to inform the Administrative Agent thereof.

(d) Notwithstanding clause (a) of this Section, after acceleration

or, at the election of the Required Lenders while any Event of Default exists, the Borrower shall pay interest (after as well as before entry of judgment thereon to the extent permitted by law) on the principal amount of all outstanding Obligations, at a rate per annum which is determined by adding 2% per annum to the Applicable Margin then in effect for such Loans and, in the case of Obligations not subject to an interest rate, at a rate per annum equal to the Base Rate plus 2%; provided, however, that, on and after the expiration

of any Interest Period applicable to any Offshore Rate Loan outstanding on the date of occurrence of such Event of Default or acceleration, the principal amount of such Loan shall, during the continuation of such Event of Default or after acceleration, bear interest at a rate per annum equal to the Base Rate plus 2%.

24

(e) Anything herein to the contrary notwithstanding, the obligations of the Borrower to any Lender hereunder shall be subject to the limitation that payments of interest shall not be required for any period for which interest is computed hereunder, to the extent (but only to the extent) that contracting for or receiving such payment by such Lender would be contrary to the provisions of any law applicable to such Lender limiting the highest rate of interest that may be lawfully contracted for, charged or received by such Lender, and in such event the Borrower shall pay such Lender interest at the highest rate permitted by applicable law.

SECTION 2.8. Fees. (a) Agency Fees. The Borrower shall pay

fees to the Administrative Agent for the Administrative Agent's own account, as required by the letter agreement ("Fee Letter") between the Borrower and the

Administrative Agent dated August 13, 1999 and as the Borrower and the Administrative Agent may agree from time to time.

(b) Non-Use Fees. (b) Non-Use Fees. The Borrower shall pay to the

Administrative Agent for the account of each Lender a non-use fee on the actual daily unused portion of such Lender's Commitment, computed on a quarterly basis in arrears on the last Business Day of each calendar quarter based upon the daily Usage Level for that quarter as calculated by the Administrative Agent, equal to the Applicable Non-Use Fee Rate. Such non-use fee shall accrue from the Effective Date to the Commitment Termination Date and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December commencing on December 31, 1999 through the Commitment Termination Date, with the final payment to be made on the Commitment Termination Date. The non-use fees provided in this subsection shall accrue at all times after the above-mentioned commencement date, including at any time during which one or more conditions in Article IX are not met.

(c) Utilization Fee. In addition to the Non-Use Fee required under

Section 2.8(b), the Borrower shall pay to the Administrative Agent for the

account of each Lender a utilization fee on the actual daily Usage Level computed on a quarterly basis in arrears on the last Business Day of each calendar quarter equal to the Applicable Utilization Fee. Such utilization fee shall accrue from the Effective Date to the Commitment Termination Date and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December commencing on December 31, 1999, with the final payment to be made on the Commitment Termination Date. The Applicable Utilization Fee shall change on the Business Day that the Usage Level changes.

(d) Letter of Credit Fees.

(i) The Borrower shall pay to the Administrative Agent for the account of each Lender a letter of credit

25

fee for each Letter of Credit requested by the Borrower in an amount per annum of the actual daily aggregate undrawn stated amount of such Letter of Credit (excluding any Reimbursement Obligation thereunder) equal to the Applicable LC Fee. Such letter of credit fee shall be computed on a quarterly basis in arrears on the last Business Day of each calendar quarter, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December commencing on December 31, 1999 through the Commitment Termination Date with the final payment to be made on the Commitment Termination Date.

(ii) The Borrower agrees to pay to the LC Issuer a fronting fee in an amount per annum on the actual daily aggregate undrawn stated amount of each Letter of Credit requested by the Borrower (excluding any Reimbursement Obligation thereunder) as may be agreed upon from time to time by the Borrower and the LC Issuer.

(iii) In addition, with respect to each Letter of Credit requested by the Borrower or any amendment or extension thereof, the Borrower agrees to pay to the LC Issuer such fees and expenses as the LC Issuer customarily requires in connection with the issuance, amendment, transfer, negotiation, processing and/or administration of letters of credit.

(e) Upfront Fees. The Borrower shall pay to the Administrative Agent

for the account of each Lender an upfront fee as agreed to by the Borrower and such Lender on the Effective Date and once paid such upfront fees shall be nonrefundable.

SECTION 2.9. Computation of Fees and Interest. (a) Interest on

Base Rate Loans and Reimbursement Obligations shall be computed on the basis of a 365/366-day year and actual days elapsed. All computations of fees and other interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more interest being paid than if computed on the basis of a 365-day year). Interest and fees shall accrue during each period during which interest or such fees are computed from the first day thereof to the last day thereof.

(b) Each determination of an interest rate by the Administrative Agent shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error.

SECTION 2.10. Payments by the Borrower. (a) All payments to be

made by the Borrower shall be made without set-off, recoupment or counterclaim. Except as otherwise expressly provided herein, all payments by the Borrower shall be made to the Administrative Agent for the account of Persons entitled thereto at the Administrative Agent's Payment Office,

26

and shall be made in Dollars and in immediately available funds, no later than 10:00 a.m. (San Francisco time) on the date specified herein. The Administrative Agent will promptly distribute to each Lender or the LC Issuer, as the case may be, its Pro Rata Share (or other applicable share as expressly provided herein) of such payment in like funds as received. Any payment received by the Administrative Agent later than 10:00 a.m. (San Francisco time) shall be deemed to have been received on the following Business Day and any applicable interest or fee shall continue to accrue.

(b) Subject to the provisions set forth in the definition of "Interest Period" herein, whenever any payment is due on a day other than a Business Day, such payment shall be made on the following Business Day, and such extension of time shall in such case be included in the computation of interest or fees, as the case may be.

(c) Unless the Administrative Agent receives notice from the Borrower prior to the date on which any payment is due to the Lenders that the Borrower will not make such payment in full as and when required, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date in immediately available funds and the Administrative Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender or the LC Issuer, as the case may be, on such due date an amount equal to the amount then due such Lender or the LC Issuer, as the case may be. If and to the extent the Borrower has not made such payment in full to the Administrative Agent, each Lender or the LC Issuer, as the case may be, shall repay to the Administrative Agent on demand such amount distributed to such Lender, together with interest thereon at the Federal Funds Rate for each day from the date such amount is distributed to such Lender or the LC Issuer, as the case may be, until the date repaid.

SECTION 2.11. Payments by the Lenders to the Administrative

Agent. (a) Unless the Administrative Agent receives notice from a Lender on or prior to the Effective Date or, with respect to any Borrowing after the Effective Date, at least one Business Day prior to the date of such Borrowing, that such Lender will not make available as and when required hereunder to the Administrative Agent for the account of the Borrower the amount of that Lender's Pro Rata Share of the Borrowing, the Administrative Agent may assume that each Lender has made such amount available to the Administrative Agent in immediately available funds on the Borrowing Date and the Administrative Agent may (but shall not be so required), in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent any

Lender shall not have made its full amount available to the Administrative Agent in immediately available funds and the Administrative Agent in such circumstances has made available to the Borrower such amount, that Lender shall on the Business Day

27

following such Borrowing Date make such amount available to the Administrative Agent, together with interest at the Federal Funds Rate for each day during such period. A notice of the Administrative Agent submitted to any Lender with respect to amounts owing under this subsection (a) shall be conclusive, absent manifest error. If such amount is so made available, such payment to the Administrative Agent shall constitute such Lender's Loan on the date of Borrowing for all purposes of this Agreement. If such amount is not made available to the Administrative Agent on the Business Day following the Borrowing Date, the Administrative Agent will notify the Borrower of such failure to fund and, upon demand by the Administrative Agent, the Borrower shall pay such amount to the Administrative Agent for the Administrative Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal to the interest rate applicable at the time to the Loans comprising such Borrowing.

(b) The failure of any Lender to make any Loan on any Borrowing Date shall not relieve any other Lender of any obligation hereunder to make a Loan on such Borrowing Date, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on any Borrowing Date.

SECTION 2.12. Sharing of Payments, Etc. If, other than as

expressly provided elsewhere herein, any Lender shall obtain on account of the Credit Extension made by it any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) in excess of its Pro Rata Share, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Credit Extensions made by them as shall be necessary to cause such purchasing Lender to share the excess payment pro rata with each of them; provided, however, that if

all or any portion of such excess payment is thereafter recovered from the purchasing Lender, such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off, but subject to Section 11.10) with respect to such participation as

fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section and will in each case notify the Lenders following any such purchases or repayments.

28

SECTION 2.13. Increase of Commitments.

(a) The Borrower may, by notice to the Administrative Agent given not less than 45 days prior to the requested effective date, request that the Commitments be increased in increments of \$10,000,000 (but in no event may the total Commitments after giving effect to all increases pursuant to this Section

2.13 exceed \$350,000,000). The Administrative Agent shall notify the Lenders of
- ----
its receipt of any notice given pursuant to this Section 2.13(a) within two

Business Days after the Administrative Agent's receipt thereof. Each Lender (a "Consenting Lender") may, by irrevocable notice to the Borrower and the Administrative Agent delivered to the Administrative Agent not later than 30 days after the receipt of notice from the Administrative Agent, inform the Administrative Agent that it wishes to participate in the requested increase and the amount of such participation. Such consent may be given or withheld by each Lender in its absolute and sole discretion.

(b) The Borrower shall have the right, by notice to the Administrative Agent given not less than 45 days prior to the requested effective date, to increase the Commitments in increments of \$10,000,000 (but in no event may the total Commitments after giving effect to all increases pursuant to this Section 2.13 exceed \$350,000,000) provided that one or more Persons

acceptable to the Borrower, the Administrative Agent and the LC Issuer has agreed to make a Commitment on and subject to the terms of this Agreement and has executed such documents as the Administrative Agent deems reasonably necessary or advisable to add such Person or Persons as a Lender hereunder. The Administrative Agent shall notify the Lenders of its receipt of any notice given pursuant to this Section 2.13(b) within two Business Days after the

Administrative Agent's receipt thereof.

(c) The Borrower shall not be entitled to request an increase in the Commitments nor shall any approved Commitment increase be effective if any Default or Event of Default shall have occurred and be continuing at such time.

(d) Effective Date of Increase. The effective date of any increase in the Commitments pursuant to Section 2.13(a) or (b) shall be effective on such date as may be selected by Borrower and the Administrative Agent taking into account any outstanding Interest Periods to minimize breakage costs in the event of any reallocations of Pro Rata Shares. The Administrative Agent shall notify the Lenders of the effective date of the increase and shall provide a revised

Schedule 2.1 reflecting such increase in the Commitments and each Lender's Pro Rata Share after giving effect to such increase. From and after the date of an increase in the Commitments, all references herein and in any Loan Document to the Commitments shall refer to the Commitments as so increased.

29

ARTICLE III.

LETTERS OF CREDIT

SECTION 3.1. Letter of Credit Procedures. The Borrower shall

give notice to the LC Issuer and the Administrative Agent of the proposed issuance of each Letter of Credit on a Business Day which is at least three Business Days prior to the proposed date of issuance of such Letter of Credit. Each such notice shall be accompanied by a Letter of Credit Application, duly executed by the Borrower and in all respects satisfactory to the LC Issuer, together with such other documentation as the LC Issuer may reasonably request in support thereof, it being understood that each Letter of Credit Application shall specify, among other things, the date on which the proposed Letter of Credit is to be issued, the amount of the Letter of Credit, the expiration date of such Letter of Credit (which shall not be later than five Business Days prior to the Commitment Termination Date) and whether such Letter of Credit is to be transferable in whole or in part. Subject to the satisfaction of the conditions precedent set forth in Article 9, the LC Issuer shall issue such Letter of

Credit on the requested issuance date. The Borrower shall only be entitled to request Letters of Credit denominated in Dollars and issued solely for the purposes described in Section 5.8.

SECTION 3.2. Risk Participations in Letters of Credit.

Concurrently with the issuance of each Letter of Credit and any amendment thereto, the LC Issuer shall be deemed to have sold and transferred to each other Lender, and each other Lender shall be deemed irrevocably and unconditionally to have purchased and received from the LC Issuer, without recourse or warranty, an undivided interest and participation (a "Risk Participation"), to the extent of such other Lender's Pro Rata Share, in such Letter of Credit and the Borrower's Reimbursement Obligations with respect thereto. For the purposes of this Agreement, the unparticipated portion of each Letter of Credit shall be deemed to be the LC Issuer's "Risk Participation" therein. The LC Issuer hereby agrees, upon request of the Administrative Agent or any Lender, to deliver to the Administrative Agent or such Lender a list of all outstanding Letters of Credit, together with such information related thereto as the Administrative Agent or such other Lender may reasonably request.

SECTION 3.3. Reimbursement Obligations. (a) The Borrower hereby

unconditionally and irrevocably agrees to reimburse the LC Issuer for each payment or disbursement made by the LC Issuer under any Letter of Credit issued at its request honoring any demand for payment made by the beneficiary thereunder, in each case on the date that such payment or disbursement is made. Any amount not reimbursed on the date of such payment or distribution shall bear interest from and including the date of such payment or disbursement to but not including the date that the LC Issuer is reimbursed by the

30

Borrower therefor, payable on demand, at a rate per annum equal to sum of the Base Rate plus 2.00%. The LC Issuer shall notify the Borrower and the

Administrative Agent whenever any demand for payment is made under any Letter of Credit by the beneficiary thereunder; provided, however, that the failure of the

LC Issuer to so notify the Borrower or the Administrative Agent shall not affect the rights of the LC Issuer or the Lenders in any manner whatsoever.

(b) In the event of a drawing under any Letter of Credit, provided no Default or Event of Default has occurred and is continuing, the Borrower shall be entitled to request Loans to repay advances made by the LC Issuer under any Letter of Credit in accordance with Section 2.3.

SECTION 3.4. Limitation on the LC Issuer's Obligations. In

determining whether to pay under any Letter of Credit, the LC Issuer shall have no obligation to the Borrower or any Lender other than to confirm that any documents required to be delivered under such Letter of Credit appear to have been delivered and appear to comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by the LC Issuer under or in connection with any Letter of Credit, if taken or omitted in the absence of gross negligence and willful misconduct, shall not impose upon the LC Issuer any liability to the Borrower or any Lender and shall not reduce or impair the Borrower's reimbursement obligations set forth in Section 3.3 or the obligations of the Lenders pursuant to Section 3.5.

SECTION 3.5. Funding by Lenders to the LC Issuer. If the LC

Issuer makes any payment or disbursement under any Letter of Credit and the Borrower has not reimbursed the LC Issuer in full for such payment or disbursement by 10:00 a.m. (New York City time) on the date of such payment or disbursement or if any reimbursement received by the LC Issuer from the Borrower is or must be returned or rescinded upon or during any bankruptcy, insolvency or reorganization of the Borrower or otherwise, each Lender shall be obligated to pay to the LC Issuer, in full or partial payment of the purchase price of its Risk Participation in such Letter of Credit, its Pro Rata Share of such payment or disbursement (but no such payment shall diminish the obligations of the Borrower under Section 3.3), and the Administrative Agent shall promptly notify

each Lender thereof. Each Lender irrevocably and unconditionally agrees, severally and for itself alone, to so pay to the Administrative Agent in immediately available funds for the LC Issuer's account the amount of such Lender's Pro Rata Share of such payment or disbursement. If and to the extent any Lender shall not have made such amount available to the Administrative Agent by 2:00 p.m. (New York City time) on the Business Day on which such Lender receives notice from the Administrative Agent of such payment or disbursement (it being understood that any such notice received after noon, New York City time, on any Business Day shall be deemed to have been

31

received on the next following Business Day), such Lender agrees to pay interest on such amount to the Administrative Agent for the LC Issuer's account forthwith on demand for each day from and including the date such amount was to have been delivered to the Administrative Agent to but excluding the date such amount is paid, at a rate per annum equal to (a) for the first three days after demand, the Federal Funds Rate from time to time in effect and (b) thereafter, the Base Rate from time to time in effect. Any Lender's failure to make available to the Administrative Agent its Pro Rata Share of any such payment or disbursement shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent such other Lender's Pro Rata Share of such payment, but no Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent such other Lender's Pro Rata Share of any such payment or disbursement.

SECTION 3.6. Warranty. The delivery of each Letter of Credit

Application pursuant to Section 3.1 and each request for amendment or extension of an existing Letter of Credit shall automatically constitute a warranty by the Borrower to the Administrative Agent and each Lender to the effect that on the date of such requested Credit Extension that the conditions of Section 9.2 have been satisfied.

SECTION 3.7. Obligations Absolute. The Borrower's obligations

under Section 3.3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower may have or have had against the LC Issuer, any Lender or any beneficiary of a Letter of Credit. The Borrower further agrees with the LC Issuer and the Lenders that the LC Issuer and the Lenders shall not be

responsible for, and the Borrower's Reimbursement Obligation in respect of any Letter of Credit shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even if such documents should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged, any dispute between or among the Borrower, any of its Affiliates, the beneficiary of any Letter of Credit or any transferee of any beneficiary of any Letter of Credit or any claims or defenses whatsoever of the Borrower against the beneficiary or misapplication by the beneficiary under such Letter of Credit of the proceeds thereof.

SECTION 3.8. Letter of Credit Collateral Account. The Borrower

agrees that it will, upon the request of the Administrative Agent or the Required Lenders and until the final expiration date of any Letter of Credit and thereafter so long as any Obligations are payable hereunder, maintain a special collateral account pursuant to arrangements satisfactory to the Administrative Agent (the "LC Collateral Account") at the Administrative Agent's office in the

name of the Borrower but under the sole dominion and control of the Administrative Agent,

32

for the benefit of the LC Issuer and the Lenders and the Borrower shall have no interest therein except as set forth in Section 8.3. The Borrower hereby

pledges, assigns and grants to the Administrative Agent, for the benefit of the LC Issuer and the Lenders, a security interest in all of the Borrower's right, title and interest in and to the LC Collateral Account, all funds and Permitted Investments which may from time to time be on deposit in the LC Collateral Account to secure the prompt and complete payment and performance of the Obligations. The Administrative Agent will invest any funds on deposit from time to time in the LC Collateral Account in Permitted Investments (other than those described in clause (i) of the definition thereof) having a maturity not exceeding 30 days. Funds earned on such Permitted Investments shall be deposited into the LC Collateral Account. Nothing in this Section 3.8 shall require the

Borrower to deposit any funds in the LC Collateral Account or limit the right of the Administrative Agent to release any funds held in the LC Collateral Account in each case other than as required by Section 2.6 or Article 8.

ARTICLE IV.

TAXES, YIELD PROTECTION AND ILLEGALITY

SECTION 4.1. Taxes. (a) Any and all payments by the Borrower to

each Lender, the LC Issuer or the Administrative Agent under this Agreement and any other Loan Document shall be made free and clear of, and without deduction or withholding for any Taxes. In addition, the Borrower shall pay all Other Taxes.

(b) The Borrower agrees to indemnify and hold harmless each Lender, the LC Issuer and the Administrative Agent for the full amount of Taxes or Other Taxes (including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section) paid by the Lender or the Administrative Agent and any liability (including penalties, interest, additions to tax and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. Payment under this indemnification shall be made within 30 days after the date the Lender or the Administrative Agent makes written demand therefor.

(c) If the Borrower shall be required by law to deduct or withhold any Taxes or Other Taxes from or in respect of any sum payable hereunder to any Lender, the LC Issuer or the Administrative Agent, then:

(i) the sum payable shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section) such Lender, the LC Issuer or the Administrative Agent, as the case may be, receives an

33

amount equal to the sum it would have received had no such deductions or withholdings been made;

(ii) the Borrower shall make such deductions and withholdings;

(iii) the Borrower shall pay the full amount deducted or withheld to the relevant taxing authority or other authority in accordance with applicable law; and

(iv) the Borrower shall also pay, without duplication, to each Lender, the LC Issuer or the Administrative Agent for the account of such Person, at the time interest is paid, all additional amounts which the respective Person specifies as necessary to preserve the after-tax yield the Lender would have received if such Taxes or Other Taxes had not been imposed.

(d) Within 30 days after the date of any payment by the Borrower of Taxes or Other Taxes, the Borrower shall furnish the Administrative Agent the original or a certified copy of a receipt evidencing payment thereof, or other evidence of payment satisfactory to the Administrative Agent.

(e) If the Borrower is required to pay additional amounts to any Lender, the LC Issuer or the Administrative Agent pursuant to Section 4.1(c),

then such Person shall use reasonable efforts (consistent with legal and regulatory restrictions) to change the jurisdiction of its Lending Office so as to eliminate any such additional payment by the Borrower which may thereafter accrue, if such change in the judgment of such Person is not otherwise disadvantageous to such Lender or inconsistent with such Person's internal policies.

SECTION 4.2. Illegality. (a) If any Lender determines that the

introduction of any Requirement of Law, or any change in any Requirement of Law, or in the interpretation or administration of any Requirement of Law, has made it unlawful, or that any central bank or other Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make Offshore Rate Loans, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of that Lender to make Offshore Rate Loans shall be suspended until the Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist.

(b) If a Lender determines that it is unlawful to maintain any Offshore Rate Loan, the Borrower shall, upon its receipt of notice of such fact and demand from such Lender (with a copy to the Administrative Agent), prepay in full such Offshore Rate Loans of that Lender then outstanding, together with

34

interest accrued thereon and amounts required under Section 4.4, either on the

last day of the Interest Period thereof, if the Lender may lawfully continue to maintain such Offshore Rate Loans to such day, or immediately, if the Lender may not lawfully continue to maintain such Offshore Rate Loan. If the Borrower is required to so prepay any Offshore Rate Loan, then concurrently with such prepayment, the Borrower shall borrow from the affected Lender, in the amount of such repayment, a Base Rate Loan.

(c) If the obligation of any Lender to make or maintain Offshore Rate Loans has been so terminated or suspended, the Borrower may elect, by giving notice to the Lender through the Administrative Agent that all Loans which would otherwise be made by the Lender as Offshore Rate Loans shall be instead Base Rate Loans.

(d) Before giving any notice to the Administrative Agent under this Section, the affected Lender shall designate a different Lending Office with respect to its Offshore Rate Loans if such designation will avoid the need for giving such notice or making such demand and will not, in the judgment of the Lender, be illegal or otherwise disadvantageous to the Lender or inconsistent with such Lender's internal policies.

SECTION 4.3. Increased Costs and Reduction of Return. (a) If

any Lender determines that, due to either (i) the introduction of or any change (other than any change by way of imposition of or increase in reserve requirements included in the calculation of the Offshore Rate) in or in the interpretation of any law or regulation or (ii) the compliance by the LC Issuer or that Lender with any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law), there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Offshore Rate Loans, then the Borrower shall be liable for, and shall from time to time, upon demand (with a copy of such demand to be sent to the Administrative Agent), pay to the Administrative Agent for the account of such Lender, additional amounts as are sufficient to compensate such Lender for such increased costs; provided that the Borrower shall not be obligated to pay any additional amounts which were incurred by such Lender more than 90 days prior to the date of such request.

(b) If the LC Issuer or any Lender shall have determined that (i) the introduction of any Capital Adequacy Regulation, (ii) any change in any Capital Adequacy Regulation, (iii) any change in the interpretation or administration of

any Capital Adequacy Regulation by any central bank or other Governmental Authority charged with the interpretation or administration thereof, or (iv) compliance by the LC Issuer or such Lender (or its Lending Office) or any corporation controlling the LC Issuer or such Lender with any Capital Adequacy Regulation, affects or would affect the amount of capital required or expected to be maintained by the LC Issuer or

35

such Lender or any corporation controlling the LC Issuer or such Lender and (taking into consideration such the LC Issuer's or Lender's or such corporation's policies with respect to capital adequacy and the LC Issuer's or such Lender's desired return on capital) determines that the amount of such capital is increased or its rate of return is decreased as a consequence of its Commitment, loans, credits or obligations under this Agreement, then, upon demand of the LC Issuer's or such Lender to the Borrower through the Administrative Agent, the Borrower shall pay to the LC Issuer or such Lender, from time to time as specified by the Lender, additional amounts sufficient to compensate the LC Issuer or such Lender for such increase; provided that the Borrower shall not be obligated to pay any additional amounts which were incurred by the LC Issuer or such Lender more than 90 days prior to the date of such request.

SECTION 4.4. Funding Losses. The Borrower shall reimburse each

Lender and hold each Lender harmless from any loss or expense which the Lender may sustain or incur as a consequence of:

(a) the failure of the Borrower to make on a timely basis any payment of principal of any Offshore Rate Loan;

(b) the failure of the Borrower to borrow, continue or convert a Loan after the Borrower has given (or is deemed to have given) a Notice of Borrowing or a Notice of Conversion/ Continuation that includes an Offshore Rate Loan;

(c) the failure of the Borrower to make any prepayment in accordance with any notice delivered under Section 2.6;

(d) the prepayment (including pursuant to Section 2.6) or other payment (including after acceleration thereof) of an Offshore Rate Loan on a day that is not the last day of the relevant Interest Period; or

(e) the automatic conversion under Section 2.5 of any Offshore Rate Loan to a Base Rate Loan on a day that is not the last day of the relevant Interest Period; including any such loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain its Offshore Rate Loans or from fees payable to terminate the deposits from which such funds were obtained. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section and under Section 4.3(a), each Offshore Rate Loan made by a Lender

(and each related reserve, special deposit or similar requirement) shall be conclusively deemed to have been funded at the LIBOR used in determining the Offshore Rate for such Offshore Rate Loan by a matching deposit or other borrowing in the interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Offshore Rate Loan is in fact so funded.

36

SECTION 4.5. Inability to Determine Rates. If the Administrative

Agent determines that for any reason adequate and reasonable means do not exist for determining the Offshore Rate for any requested Interest Period with respect to a proposed Offshore Rate Loan, or the Administrative Agent determines (or the Required Lenders advise the Administrative Agent) that the Offshore Rate applicable pursuant to Section 2.7(a) for any requested Interest Period with

respect to a proposed Offshore Rate Loan does not adequately and fairly reflect the cost to the Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Offshore Rate Loans, as the case may be, hereunder shall be suspended until the Administrative Agent revokes such notice in writing. Upon receipt of such notice, the Borrower may revoke any Notice of Borrowing or Notice of Conversion/ Continuation then submitted by it. If the Borrower does not revoke such Notice, the Lenders shall make, convert or continue the Loans, as proposed by the Borrower, in the amount specified in the applicable notice submitted by the Borrower, but such Loans shall be made, converted or continued as Base Rate Loans instead of Offshore Rate Loans.

SECTION 4.6. Certificates of Lenders. Any Person claiming

reimbursement or compensation under this Article IV shall deliver to the

Borrower (with a copy to the Administrative Agent) a certificate setting forth in reasonable detail the amount payable to such Person hereunder and such certificate shall be conclusive and binding on the Borrower in the absence of manifest error.

SECTION 4.7. Substitution of Lenders. (a) Upon the receipt by

the Borrower from any Lender (an "Affected Lender") of a claim for compensation

under Section 4.1, 4.2 or 4.3 the Borrower may: (i) request the Affected Lender

to use its reasonable efforts to obtain a replacement bank or financial
institution satisfactory to the Borrower to acquire and assume all or a ratable
part of all of such Affected Lender's Loans and Commitment (a "Substitute

Lender"); (ii) request one more of the other Lenders to acquire and assume all
or part of such Affected Lender's Loans and Commitment; or (iii) designate a
Substitute Lender. Any such designation of a Substitute Lender under clause (i)
or (iii) shall be subject to the prior written consent of the Administrative
Agent (which consent shall not be unreasonably withheld).

(b) In the event the LC Issuer ceases to be rated AA or better by
Standard & Poor's Rating Group, the Borrower may request the LC Issuer to assign
its obligations hereunder to another financial institution who is rated AA or
higher.

SECTION 4.8. Survival. The agreements and obligations of the

Borrower in this Article IV shall survive the payment of all other Obligations.

which jurisdictions are set forth with respect to the Borrower and each Material
Subsidiary on Schedule 5.1 as revised from time to time by the Borrower pursuant

to Section 6.1(1), (c) has the requisite corporate power and authority and the

execution, delivery and performance by the Borrower of this Agreement and the
consummation of the transactions contemplated hereby and thereby are within its
corporate powers and have been duly authorized by all necessary corporate action

Borrower and its Material Subsidiaries has received all other material consents
and approvals (if any shall be required) necessary for such execution, delivery
and performance, and such execution, delivery and performance do not and will

upon the Borrower or such Material Subsidiaries. This Agreement and each of the
Loan Documents is (or when executed and delivered will be) the legal, valid, and
binding obligation of the Borrower enforceable against the Borrower in

derivative actions), arbitration, governmental investigation or proceeding or inquiry is pending or threatened against the Borrower or any of its Subsidiaries (i) which would, if adversely determined, have a Material Adverse Effect or (ii) which relates to any of the transactions contemplated hereby, and there is no basis known to the Borrower for any of the foregoing. Other than any liability incident to such claims, litigation or proceedings, the Borrower has no material Contingent Liabilities not provided for or referred to in the financial

SECTION 5.7. Regulations U and X. Neither the Borrower nor any

of its Subsidiaries is engaged principally, or as one of its important

40

credit for the purpose of purchasing or carrying margin stock. None of the
Borrower, any of its Subsidiaries, any Affiliate of any of them or any Person
acting on their behalf has taken or will take action to cause the execution,
delivery or performance of this Agreement, the making or existence of the Credit
Extensions or the use of proceeds of the Credit Extensions to violate
Regulations U or X of the FRB.

for general corporate purposes (including capital contributions to Subsidiaries

the Administrative Agent in its sole discretion, the Borrower, in providing
synthetic cover of catastrophe risks through one or more Catastrophe Bonds
(other than Catastrophe Bonds described in clause (b) of the definition

thereof). None of such proceeds will be used in violation of applicable law,
and none of such proceeds will be used, directly or indirectly, for the purpose,
whether immediate, incidental or ultimate, of buying or carrying any margin

Schedule 5.14 as revised from time to time by the Borrower pursuant to Section 6.1(1) indicates the line or lines of insurance which each such Material Insurance Subsidiary is permitted to be engaged in with respect to each License therein listed. The Material Insurance Subsidiaries do not transact any insurance business, directly or indirectly, in any jurisdiction other than those enumerated on Schedule 5.14 as revised from time to time by the Borrower pursuant to Section 6.1(1) hereto, where such business requires that any such Material Insurance Subsidiary obtain any license, permit, governmental approval, consent or other authorization.

Except as set forth in Schedule 5.15, on the Effective Date there is no ongoing audit or, to the Borrower's knowledge, other governmental investigation of the tax liability of the Borrower or any of its Subsidiaries and there is no unresolved claim by a taxing authority concerning the Borrower's or any such Subsidiary's tax liability, for any period for which returns have been filed or were due. SECTION 5.17. Compliance with Laws. Neither the Borrower nor

any of its Subsidiaries is in violation of any law, ordinance, rule, regulation, order, policy, guideline or other requirement of any Governmental Authority, if the effect of such violation could reasonably be expected to have a Material Adverse Effect and, to the best of the Borrower's knowledge, no such violation has been alleged and each of the Borrower and its Subsidiaries (i) has filed in a timely manner all reports, documents and other materials required to be filed by it with any Governmental Authority, if such failure to so file could reasonably be expected to have a Material Adverse Effect; and the information contained in each of such filings is true, correct and complete in all material respects and (ii) has retained all records and documents required to be retained by it pursuant to any law, ordinance, rule, regulation, order, policy, guideline or other requirement of any Governmental Authority, if the failure to so retain

The Borrower and its Material Subsidiaries have implemented that program substantially in accordance with its timetable and budget and they will substantially avoid the Year 2000 problem as to all computers, as well as embedded microchips in other devices, that are material to the Borrower's and its Material Subsidiaries' business, properties and operations. The Borrower and its Material Subsidiaries have developed feasible contingency plans adequately to ensure uninterrupted and unimpaired business operation in the event of failure of their own or a third party's systems or equipment due to the Year 2000 problem, including those of vendors, customers, and suppliers, as well as a general failure of or interruption in its communications and delivery infrastructure.

55

SECTION 8.2. Effect of Event of Default. If any Event of Default

described in Section 8.1(e) shall occur, the Commitments (if they have not

of Default, the Administrative Agent may, and upon the written request of the
Required Lenders shall, terminate the Commitments hereunder and declare all or

Borrower shall, upon such demand and without any further notice, pay to the
Administrative Agent for deposit in the LC Collateral Account, funds necessary
to cure any shortfall.

(b) The Administrative Agent may, at any time or from time to time,
after funds are deposited in the LC Collateral Account apply such funds to the
payment of the Obligations then due and payable by the Borrower to the Lenders
or the LC Issuer under the Loan Documents.

(c) Neither the Borrower nor any Person claiming on behalf of or
through the Borrower shall have any right to

56

THE ADMINISTRATIVE AGENT

SECTION 10.1. Appointment and Authorization. Each of the LC

Issuer and each Lender hereby irrevocably (subject to Section 10.9) appoints,

designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with the LC Issuer or any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

SECTION 10.2. Delegation of Duties. The Administrative Agent

may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects with reasonable care.

59

SECTION 10.3. Liability of Administrative Agent. None of the

Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders for any recital, statement, representation or warranty made by the Borrower or any Subsidiary or Affiliate of the Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of the Borrower or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Administrative Agent-Related Person shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower or any of the Borrower's Subsidiaries or Affiliates.

SECTION 10.4. Reliance by Administrative Agent. (a) The

Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 9.1, the LC Issuer and each Lender that has executed this

Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter either sent by the Administrative Agent to the LC Issuer or such Lender for consent, approval, acceptance

60

or satisfaction, or required thereunder to be consented to or approved by or acceptable or satisfactory to the LC Issuer or such Lender.

SECTION 10.5. Notice of Default. The Administrative Agent shall

not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, Reimbursement Obligations, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender, the LC Issuer or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with

Article VIII; provided, however, that unless and until the Administrative Agent

has received any such request, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of the Lenders.

SECTION 10.6. Credit Decision. Each of the LC Issuer and the

Lenders acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Borrower and its Subsidiaries, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender. The LC Issuer and each Lender represents to the Administrative Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and its Subsidiaries, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower. Except for notices, reports and other documents expressly herein required to be furnished to the LC Issuer and the Lenders by the Administrative Agent, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or

61

other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Borrower which may come into the possession of any of the Agent-Related Persons.

SECTION 10.7. Indemnification. Whether or not the transactions

contemplated hereby are consummated, the LC Issuer and the Lenders shall indemnify upon demand the Agent-Related Persons (to the extent not reimbursed by or on behalf of the Borrower and without limiting the obligation of the Borrower to do so), pro rata, from and against any and all Indemnified Liabilities; provided, however, that neither the LC Issuer nor any Lender shall be liable for

the payment to the Agent-Related Persons of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence or willful misconduct. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of the Administrative Agent.

SECTION 10.8. Administrative Agent in Individual Capacity. BofA

and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Borrower and its Subsidiaries and Affiliates as though BofA were not the Administrative Agent hereunder and without notice to or consent of the Lenders. The LC Issuer and the Lenders acknowledge that, pursuant to such activities, BofA or its Affiliates may receive information regarding the Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of the Borrower or such Subsidiary) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Credit Extensions, BofA shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" include BofA in its individual capacity.

SECTION 10.9. Successor Administrative Agent. The

Administrative Agent may, and at the request of the Required Lenders shall, resign as Administrative Agent upon 30 days' notice to the Lenders. If the Administrative Agent resigns under

62

this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders which successor agent shall be approved by the Borrower. If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders and the Borrower, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent" shall mean such successor agent and the retiring Administrative Agent's appointment, powers and duties as Administrative Agent shall be terminated. After any retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article X and Sections

11.4 and 11.5 shall inure to its benefit as to any actions taken or omitted to

be taken by it while it was Administrative Agent under this Agreement. If no successor agent has accepted appointment as Administrative Agent by the date which is 30 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

SECTION 10.10. Withholding Tax. (a) If the LC Issuer or any

Lender (other than a Lender located in Bermuda) is a "foreign corporation, partnership or trust" within the meaning of the Code and such Lender claims exemption from U.S. withholding tax under Sections 1441 or 1442 of the Code, the LC Issuer or such Lender agrees with and in favor of the Administrative Agent, to deliver to the Administrative Agent and the Borrower:

(i) if the LC Issuer or such Lender claims an exemption from withholding tax under a United States tax treaty, properly completed IRS Forms 1001 and W-8 before the payment of any interest in the first calendar year and before the payment of any interest in each third succeeding calendar year during which interest may be paid under this Agreement;

(ii) if the LC Issuer or such Lender claims that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of the LC Issuer or such Lender, two properly completed and executed copies of IRS Form 4224 before the payment of any interest is due in the first taxable year of such Lender and in each succeeding taxable year of the LC Issuer or such Lender during which interest may be paid under this Agreement, and IRS Form W-9; and

(iii) such other form or forms as may be required under the Code or other laws of the United States as a

63

condition to exemption from United States withholding tax.

The LC Issuer and each Lender agrees to promptly notify the Administrative Agent and the Borrower of any change in circumstances which would modify or render invalid any claimed exemption.

(b) If the LC Issuer or any Lender claims exemption from withholding tax under a United States tax treaty by providing IRS Form 1001 and the LC Issuer or such Lender sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of the Borrower to the LC Issuer or such Lender, the LC Issuer or such Lender agrees to notify the Administrative Agent of the percentage amount in which it is no longer the beneficial owner of Obligations of the Borrower to such Lender. To the extent of such percentage amount, the Administrative Agent will treat the LC Issuer or such Lender's IRS Form 1001 as no longer valid.

(c) If the LC Issuer or any Lender claiming exemption from United States withholding tax by filing IRS Form 4224 with the Administrative Agent sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of the Borrower to the LC Issuer or such Lender, the LC Issuer or such Lender agrees to undertake sole responsibility for complying with the withholding tax requirements imposed by Sections 1441 and 1442 of the Code.

(d) If the forms or other documentation required by subsection (a) of this Section are not delivered, then the Administrative Agent may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(e) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of the LC Issuer or any Lender (because the appropriate form was not delivered, was not properly executed, or because the LC Issuer or such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from withholding tax ineffective, or for any other reason) the LC Issuer or such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to the Administrative Agent under this Section, together with all costs and expenses (including Attorney Costs). The obligation of the LC Issuer and the Lenders under this subsection shall survive the payment of all Obligations and the resignation or replacement of the Administrative Agent.

64

SECTION 10.11. Syndication Agent and Co-Agent. The Lenders

identified on the facing page or signature pages of this Agreement as "syndication agent" or "co-agent" shall not have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, no Lender so identified as a "syndication agent" or "co-agent" shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

ARTICLE XI

MISCELLANEOUS

SECTION 11.1. Amendments and Waivers. No amendment or waiver of

any provision of this Agreement or any other Loan Document, and no consent with respect to any departure by the Borrower therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders (or by the Administrative Agent at the written request of the Required Lenders) and the Borrower and acknowledged by the Administrative Agent, and then any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such waiver, amendment, or

consent shall, unless in writing and signed by all the Lenders and the Borrower and acknowledged by the Administrative Agent, do any of the following:

(a) increase or extend the Commitment of any Lender (other than increases pursuant to Section 2.13) or reinstate any Commitment terminated pursuant to Section 8.2 or extend the expiry date of any Letter of Credit to a date after the Commitment Termination Date;

(b) postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, Reimbursement Obligation, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any other Loan Document;

(c) reduce the principal of, or the rate of interest specified herein, or (subject to clause (ii) below) any fees or other amounts payable hereunder or under any other Loan Document;

(d) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Obligations which is required for the Lenders or any of them to take any action hereunder; or

(e) amend this Section, or Section 2.12, or any provision herein providing for consent or other action by all Lenders;

65

and, provided further, that no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Required Lenders or all the Lenders, as the case may be, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document and no amendment of any provision relating to the LC Issuer shall be effective without the consent of the LC Issuer.

SECTION 11.2. Notices. (a) All notices, requests and other

communications shall be in writing (including, unless the context expressly otherwise provides, by facsimile transmission, provided that any matter transmitted by the Borrower by facsimile (i) shall be immediately confirmed by a telephone call to the recipient at the number specified on Schedule 11.2, and

(ii) except in the case of Notices of Borrowing and Notices of Conversions/Continuation, shall be followed promptly by delivery of a hard copy original thereof) and mailed, faxed or delivered, to the address or facsimile number specified for notices on Schedule 11.2; or, as directed to the Borrower

or the Administrative Agent, to such other address as shall be designated by such party in a written notice to the other parties, and as directed to any other party, at such other address as shall be designated by such party in a written notice to the Borrower and the Administrative Agent.

(b) All such notices, requests and communications shall, when transmitted by overnight delivery, or faxed, be effective when delivered for overnight (next-day) delivery, or transmitted in legible form by facsimile machine, respectively, or, if delivered, upon delivery, except that notices pursuant to Article II or X shall not be effective until actually received by the Administrative Agent.

(c) Any agreement of the Administrative Agent, the LC Issuer and the Lenders herein to receive certain notices by telephone or facsimile is solely for the convenience and at the request of the Borrower. The Administrative Agent, the LC Issuer and the Lenders shall be entitled to rely on the authority of any Person purporting to be a Person authorized by the Borrower to give such notice and the Administrative Agent, the LC Issuer and the Lenders shall not have any liability to the Borrower or other Person on account of any action taken or not taken by the Administrative Agent, the LC Issuer or the Lenders in reliance upon such telephonic or facsimile notice. The obligation of the Borrower to repay the Obligations shall not be affected in any way or to any extent by any failure by the Administrative Agent, the LC Issuer and the Lenders to receive written confirmation of any telephonic or facsimile notice or the receipt by the Administrative Agent, the LC Issuer and the Lenders of a confirmation which is at variance with the terms understood by the Administrative Agent and the Lenders to be contained in the telephonic or facsimile notice.

66

SECTION 11.3. No Waiver; Cumulative Remedies. No failure to

exercise and no delay in exercising, on the part of the Administrative Agent,

the LC Issuer or any Lender, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

SECTION 11.4. Costs and Expenses. The Borrower shall:

(a) whether or not the transactions contemplated hereby are consummated, pay or reimburse BofA (including in its capacity as Administrative Agent) and the Arranger within ten Business Days after demand for all costs and expenses incurred by BofA (including in its capacity as Administrative Agent) and the Arranger in connection with the development, preparation, delivery, administration and execution of, and any amendment, supplement, waiver or modification to (in each case, whether or not consummated), this Agreement, any Loan Document and any other documents prepared in connection herewith or therewith, and the consummation of the transactions contemplated hereby and thereby, including reasonable Attorney Costs incurred by BofA (including in its capacity as Administrative Agent) and the Arranger with respect thereto; and

(b) pay or reimburse the Administrative Agent, the LC Issuer and each Lender within ten Business Days after demand for all costs and expenses (including Attorney Costs) incurred by them in connection with the enforcement, attempted enforcement, or preservation of any rights or remedies under this Agreement or any other Loan Document during the existence of an Event of Default or after acceleration of the Loans (including in connection with any "workout" or restructuring regarding the Credit Extensions, and including in any insolvency proceeding or appellate proceeding).

SECTION 11.5. Indemnity. Whether or not the transactions

contemplated hereby are consummated, the Borrower shall indemnify and hold the Agent-Related Persons, the LC Issuer and each Lender and each of its respective officers, directors, employees, counsel, agents and attorneys-in-fact (each, an "Indemnified Person") harmless from and against any and all liabilities,

obligations, losses, damages, penalties, actions, judgments, suits, costs, charges, expenses and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time (including at any time following repayment of the Obligations and the termination, resignation or replacement of the Administrative Agent or replacement of the LC Issuer or any Lender) be imposed on, incurred by or asserted against any such Person in any way relating to or arising out of this Agreement or any document contemplated by or referred to herein, or the transactions contemplated hereby, or any action taken or omitted by any such Person under or in connection with any of the

67

foregoing, including with respect to any investigation, litigation or proceeding (including any insolvency proceeding or appellate proceeding) related to or arising out of this Agreement or the Credit Extensions or the use of the proceeds thereof, whether or not any Indemnified Person is a party thereto (all the foregoing, collectively, the "Indemnified Liabilities"); provided, that the

Borrower shall have no obligation hereunder to any Indemnified Person with respect to Indemnified Liabilities resulting solely from the gross negligence or willful misconduct of such Indemnified Person. The agreements in this Section shall survive payment of all other Obligations.

SECTION 11.6. Payments Set Aside. To the extent that the

Borrower makes a payment to the Administrative Agent, the LC Issuer or the Lenders, or the Administrative Agent, the LC Issuer or the Lenders exercise their right of set-off, and such payment or the proceeds of such set-off or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the LC Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any insolvency proceeding or otherwise, then (a) to the extent of such recovery the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such set-off had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its pro rata share of any amount so recovered from or repaid by the Administrative Agent.

SECTION 11.7. Successors and Assigns. The provisions of this

Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, except that the Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent, the LC Issuer and each Lender.

SECTION 11.8. Assignments, Participations, etc. (a) Any Lender

may, with the written consent of (x) the Borrower (at all times other than during the existence of an Event of Default) and the Administrative Agent, which consents shall not be unreasonably withheld, and (y) the LC Issuer at any time assign and delegate to one or more Eligible Assignees (provided that no written consent of the Borrower or the Administrative Agent shall be required in connection with any assignment and delegation by a Lender to an Eligible Assignee that is an Affiliate of such Lender) (each an "Assignee") all, or any -----
ratable part of all, of the Credit Extensions, the Commitments and the other rights and obligations of such Lender hereunder, provided, however, that (x) the -----
aggregate principal amount of the Commitment assigned by any Lender to someone other than another Lender shall be in a minimum amount of \$5,000,000 (or if less, the entire Commitment then held by such Lender) and (y) after giving effect to any such

68

assignment by a Lender, the aggregate amount of the Commitments and/or Credit Extensions held by such assigning Lender is at least \$5,000,000 (unless such Lender has assigned the entire Commitment and Credit Extensions then held by it). The Borrower and the Administrative Agent may continue to deal solely and directly with such Lender in connection with the interest so assigned to an Assignee until (i) written notice of such assignment, together with payment instructions, addresses and related information with respect to the Assignee, shall have been given to the Borrower and the Administrative Agent by such Lender and the Assignee; (ii) such Lender and its Assignee shall have delivered to the Borrower and the Administrative Agent an Assignment and Acceptance in the form of Exhibit D ("Assignment and Acceptance") and (iii) the assignor Lender or -----
Assignee has paid to the Administrative Agent a processing fee in the amount of \$3,000.

(b) From and after the date that the Administrative Agent notifies the assignor Lender that it has received (and provided its consent with respect to) an executed Assignment and Acceptance and payment of the above-referenced processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assignor Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under the Loan Documents.

(c) Immediately upon each Assignee's making its processing fee payment under the Assignment and Acceptance, this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Commitments arising therefrom. The Commitment allocated to each Assignee shall reduce such Commitments of the assigning Lender pro tanto.

(d) Any Lender may at any time sell to one or more commercial banks or other Persons not Affiliates of the Borrower (a "Participant") participating -----
interests in any Credit Extension, the Commitment of that Lender and the other interests of that Lender (the "originating Lender") hereunder and under the -----
other Loan Documents; provided, however, that (i) the originating Lender's -----
obligations under this Agreement shall remain unchanged, (ii) the originating Lender shall remain solely responsible for the performance of such obligations, (iii) the Borrower and the Administrative Agent shall continue to deal solely and directly with the originating Lender in connection with the originating Lender's rights and obligations under this Agreement and the other Loan Documents, and (iv) no Lender shall transfer or grant any participating interest under which the Participant has rights to approve any amendment to, or any consent or waiver with

69

respect to, this Agreement or any other Loan Document, except to the extent such amendment, consent or waiver would require unanimous consent of the Lenders as described in the first proviso to Section 11.1. In the case of any such -----
participation, the Participant shall be entitled to the benefit of Sections 4.1, -----
4.3 and 11.5 to the extent the Lender selling such participation would be so -----
entitled as though it were also a Lender hereunder, and if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent

as if the amount of its participating interest were owing directly to it as a Lender under this Agreement.

(e) Notwithstanding any other provision in this Agreement, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Lender in accordance with Regulation A of the FRB or U.S. Treasury Regulation 31 CFR (S)203.14, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

(f) Notwithstanding the foregoing, the LC Issuer may not assign its obligation to issue Letters of Credit without the consent of the Borrower.

SECTION 11.9. Confidentiality. Each of the LC Issuer and the

Lenders agrees to take and to cause its Affiliates to take normal and reasonable precautions and exercise due care to maintain the confidentiality of all information identified as "confidential" or "secret" by the Borrower and provided to it by the Borrower or any Subsidiary, or by the Administrative Agent on such Borrower's or Subsidiary's behalf, under this Agreement or any other Loan Document, and neither it nor any of its Affiliates shall use any such information other than in connection with or in enforcement of this Agreement and the other Loan Documents or in connection with other business now or hereafter existing or contemplated with the Borrower or any Subsidiary; except to the extent such information (i) was or becomes generally available to the public other than as a result of disclosure by the LC Issuer or such Lender, or (ii) was or becomes available on a non-confidential basis from a source other than the Borrower, provided that such source is not bound by a confidentiality agreement with the Borrower known to the LC Issuer or such Lender; provided,

however, that any Lender may disclose such information (A) at the request or

- -----
pursuant to any requirement of any Governmental Authority to which the LC Issuer or such Lender is subject or in connection with an examination of the LC Issuer or such Lender by any such authority; (B) pursuant to subpoena or other court process; (C) when required to do so in accordance with the provisions of any applicable Requirement of Law; (D) to

70

the extent reasonably required in connection with any litigation or proceeding to which the Administrative Agent, the LC Issuer or any Lender or their respective Affiliates may be party; (E) to the extent reasonably required in connection with the exercise of any remedy hereunder or under any other Loan Document; (F) to the LC Issuer or such Lender's independent auditors and other professional advisors; (G) to any Participant or Assignee, actual or potential, provided that such Person agrees in writing to keep such information confidential to the same extent required of the Lenders hereunder; (H) to the LC Issuer or any Lender or its Affiliate, as expressly permitted under the terms of any other document or agreement regarding confidentiality to which the Borrower or any Subsidiary is party or is deemed party with such Lender or such Affiliate; and (I) to its Affiliates which are either the LC Issuer or such Lender's parent or it or its parent's wholly owned Subsidiary or, with the prior written consent of the Borrower which shall not be unreasonably withheld, its other Affiliates.

SECTION 11.10. Set-off. In addition to any rights and remedies

of the LC Issuer or the Lenders provided by law, if an Event of Default exists or the Loans have been accelerated, the Administrative Agent, the LC Issuer and each Lender is authorized at any time and from time to time, without prior notice to the Borrower, any such notice being waived by the Borrower to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other indebtedness at any time owing by, such Person to or for the credit or the account of the Borrower against any and all Obligations owing to such Person, now or hereafter existing, irrespective of whether or not or such Person shall have made demand under this Agreement or any Loan Document and although such Obligations may be contingent or unmatured. Each Person exercising its right of set-off agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender; provided,

however, that the failure to give such notice shall not affect the validity of

- -----
such set-off and application.

SECTION 11.11. Notification of Addresses, Lending Offices, Etc.

Each party hereto shall notify the Administrative Agent in writing of any changes in the address to which notices to such Person should be directed, of addresses of any Lending Office, of payment instructions in respect of all payments to be made to it hereunder and of such other administrative information as the Administrative Agent shall reasonably request.

SECTION 11.12. Counterparts. This Agreement may be executed in

any number of separate counterparts, each of which, when so executed, shall be deemed an original, and all of said counterparts taken together shall be deemed to constitute but one and the same instrument.

71

SECTION 11.13. Severability. The illegality or

unenforceability of any provision of this Agreement or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Agreement or any instrument or agreement required hereunder.

SECTION 11.14. No Third Parties Benefited. This Agreement is

made and entered into for the sole protection and legal benefit of the Borrower, the Lenders, the LC Issuer, the Administrative Agent and the Agent-Related Persons, and their permitted successors and assigns, and no other Person shall be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or any of the other Loan Documents.

SECTION 11.15. Governing Law and Jurisdiction. (a) THIS

AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF ILLINOIS; PROVIDED THAT THE ADMINISTRATIVE AGENT AND THE LENDERS SHALL RETAIN ALL RIGHTS ARISING UNDER FEDERAL LAW.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF ILLINOIS OR OF THE UNITED STATES FOR THE NORTHERN DISTRICT OF ILLINOIS, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE BORROWER, THE ADMINISTRATIVE AGENT, THE LC ISSUER AND THE LENDERS CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF THE BORROWER, THE ADMINISTRATIVE AGENT, THE LC ISSUER AND THE LENDERS IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE

BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS AGREEMENT OR ANY DOCUMENT RELATED HERETO. EACH OF THE BORROWER, THE ADMINISTRATIVE AGENT, THE LC ISSUER AND THE LENDERS WAIVES PERSONAL SERVICE OF ANY SUMMONS, COMPLAINT OR OTHER PROCESS AND IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS BY REGISTERED MAIL, POSTAGE PREPAID OR BY ANY OTHER MEANS PERMITTED BY ILLINOIS OR FEDERAL LAW.

SECTION 11.16. Waiver of Jury Trial. EACH OF THE BORROWER, THE

LENDERS, THE LC ISSUER AND THE ADMINISTRATIVE AGENT EACH WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY OF THE PARTIES AGAINST ANY OTHER PARTY OR ANY AGENT-RELATED PERSON, PARTICIPANT OR ASSIGNEE, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS, OR OTHERWISE. THE BORROWER, THE LC ISSUER, THE LENDERS AND THE ADMINISTRATIVE AGENT EACH AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT

72

THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS OR ANY PROVISION HEREOF OR THEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

SECTION 11.17. Currency Indemnity. If, for the purposes of

obtaining judgment in any court in any jurisdiction with respect to any Loan Document, it becomes necessary to convert into the currency of such jurisdiction (the "Judgment Currency") any amount due under any Loan Document in any currency

other than the Judgment Currency (the "Currency Due"), then conversion shall be

made at the rate of exchange prevailing on the Business Day before the day on which judgment is given. For this purpose, "rate of exchange" means the rate at which the Administrative Agent is able, on the relevant date, to purchase the Currency Due with the Judgment Currency in accordance with its normal practice at its main branch in San Francisco, California. In the event that there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given and the date of payment of the amount due, the Borrower will, on the day of payment, pay such additional amount, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary

to ensure that the amount paid on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of payment is the amount then due under any Loan Document in the Currency Due. If the amount of the Currency Due which the Administrative Agent is so able to purchase is less than the amount of the Currency Due originally due to it, the Borrower shall indemnify and save the Administrative Agent harmless from and against loss or damage arising as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in any Loan Document, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under any Loan Document or under any judgment or order.

SECTION 11.18. Entire Agreement. This Agreement, together with

the other Loan Documents, embodies the entire agreement and understanding among the Borrower, the Lenders and the Administrative Agent, and supersedes all prior or contemporaneous agreements and understandings of such Persons, verbal or written, relating to the subject matter hereof and thereof.

SECTION 11.19. Consent to Amendment. By execution of this

Agreement, the Lenders who are parties to the Renaissance U.S. Credit Agreement dated as of June 24, 1998 among Renaissance

73

U.S. Holdings, Inc., various financial institutions and Bank of America, National Association, as Administrative Agent, the Credit Agreement dated as of June 23, 1997, among certain employees of the Borrower and Bank of America, National Association hereby agree that, after the Effective Date, all references in such Credit Agreements to the "Revolving Credit Agreement" shall be deemed to refer to this Agreement.

In the event senior unsecured debt ratings are assigned to the Borrower by both S&P and Moody's, pricing will be based on the higher of the senior unsecured debt ratings from either S&P or Moody's in the event of a single split rating, and one Pricing Level below the higher rating in the event of a double (or more) split rating. If no senior unsecured debt rating has been assigned to the Borrower by either S&P or Moody's, the Pricing Level will be set at two rating levels below the Financial Strength Rating for Renaissance Reinsurance Ltd. issued by either S&P or Moody's (e.g. a Financial Strength Rating of "A" issued by S&P would equate to an implied senior unsecured debt rating of BBB+ and Pricing Level IV). In the event of a single split Financial Strength Rating, the Pricing Level will be two Pricing Levels below the lowest Financial Strength Rating (e.g. a Financial Strength Rating of A/A3 would result in a Pricing Level III) and in the event of a double (or more) split Financial Strength Rating, the Pricing Level will be two Pricing Levels below the Pricing Level which is one Pricing Level above the higher Financial Strength Rating (e.g. a split Financial Strength Rating of A/Baa1 would result in Pricing Level III). If

neither a senior unsecured debt rating nor a financial strength rating has been assigned, Pricing Level I shall apply.
