Explanation of Responses:

1. These shares will vest in four equal annual installments beginning on July 1, 2014.
2. Grant of restricted Common Stock of the Issuer, pursuant to its 2010 Performance-based Equity Incentive Plan. Vesting of these shares is subject to the satisfaction of both certain service- and performance-based vesting conditions. The amount granted represents the maximum potential achievable award. If minimal performance conditions are not met, all shares will be returned to the Performance Share Plan. The grant consists of four substantially equal performance measurement periods, and the number of shares in each tranche that ultimately vest is a function of the Issuer's Total Shareholder Return during a given calendar-year period relative to the members of a predetermined peer group of companies, and the satisfaction of applicable service conditions.
3. Includes 11,498 shares from prior awards of Performance Shares which will not be earned as the applicable performance conditions were not met, but will remain outstanding under the terms of the Plan until the time vesting requirement is met, at which point the shares will be cancelled.
4. These securities are owned and controlled by a family limited partnership for the benefit of immediate family members of the Reporting Person and may be deemed to be beneficially owned by the Reporting Person.
