This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the "Board") of RenaissanceRe Holdings Ltd. ("we" or the "Company") to be voted at our Annual General Meeting of Shareholders to be held at Renaissance House, 8-12 East Broadway, Pembroke, Bermuda on May 18, 2001 at 10:00 a.m., Atlantic daylight savings time, or any postponement or adjournment thereof (the "Annual Meeting"). This Proxy Statement, the Notice of Annual Meeting and the accompanying form of proxy are being first mailed to shareholders on or about April __, 2001.

As of April 2, 2001, the record date for the determination of persons entitled to receive notice of, and to vote at, the Annual Meeting, there were issued and outstanding: (i) 18,311,166 shares of our common shares, par value \$1.00 per share (the "Full Voting Common Shares"), and (ii) 1,448,504 shares of our Diluted Voting Class I Common Shares, par value \$1.00 per share (the "Diluted Voting Shares"). Holders of Full Voting Common Shares and Diluted Voting Shares shall vote together as a single class on all matters presented for a vote by the shareholders at the Annual Meeting.

AT THE ANNUAL MEETING, SHAREHOLDERS WILL BE ASKED TO TAKE THE FOLLOWING ACTIONS:

2. To amend our Bye-laws to remove the requirement that, with respect to any matter required to be submitted to a shareholder vote of our principal operating subsidiary, Renaissance Reinsurance Ltd. At the Annual Meeting, shareholders will also receive the report of our independent auditors and the financial statements of the Company for the year ended December 31, 2000, and may also be asked to consider and take action with respect to such other matters as may properly come before the Annual Meeting.

All of the above Proposals will be decided by the affirmative vote of a majority of the voting rights attached to the Common Shares present, in person or by proxy, at the Annual Meeting, and entitled to vote thereon. A hand vote will be taken unless a poll is requested pursuant to the Bye-laws. PT Investments, Inc. ("PT Investments") and our directors and executive officers intend to vote their shares, representing in the aggregate approximately 20% of the outstanding voting rights attached to the Common Shares, in favor of each of the Proposals to be acted on at the Annual Meeting.

SOLICITATION AND REVOCATION

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, OR ON BEHALF OF, THE BOARD. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD. Such persons designated as proxies are officers of the Company. Any shareholder desiring to appoint another person to represent him or her at the Annual Meeting may do so either by inserting such person's name in the blank space provided on the accompanying form of proxy, or by completing another form of proxy and, in either case, delivering an executed proxy to the Secretary of the Company at the address indicated above, before the time of the Annual Meeting. It is the responsibility of the shareholder appointing such other person to represent him or her to inform such person of this appointment.

All Common Shares represented by properly executed proxies which are returned and not revoked will be voted in accordance with the instructions, if any, given thereon. If no instructions are provided in an executed proxy, it will be voted FOR each of the Proposals described herein and set forth on the accompanying form of proxy, and in accordance with the proxyholder's best judgment as to any other business as may properly come before the Annual Meeting. If a shareholder appoints a person other than the persons named in the enclosed form of proxy to represent him or her, such person will vote the shares in respect of which he or she is appointed proxyholder in accordance with the directions of the shareholder appointing him or her. Member brokerage firms of The New York Stock Exchange, Inc. (the "NYSE") that hold shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions with respect to any or all proposals submitted for shareholder action, vote in their discretion upon all of the Proposals. Any "broker non-votes" and abstentions will not be counted as shares present in connection with proposals with respect to which they are not voted. Any shareholder who executes a proxy may revoke it at any time before it is voted by delivering to the Secretary of the Company a written statement revoking such proxy, by executing and delivering a later dated proxy, or by voting in person at the Annual Meeting. Attendance at the Annual Meeting by a shareholder who has executed and delivered a proxy to us shall not in and of itself constitute a revocation of such proxy.

We will bear the cost of solicitation of proxies. Further solicitation may be made by our directors, officers and employees personally, by telephone, internet or otherwise, but such persons will not be specifically compensated for such services. We may also make, through bankers, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Shares. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of Common Shares which such persons hold of record.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employee Credit Facility

In order to encourage employee ownership of Common Shares, we have guaranteed certain loan and pledge agreements (collectively, the "Employee Credit Facility") between certain employees of the Company (the "Participating Employees") and Bank of America Illinois ("BoFA"). Pursuant to the terms of the Employee Credit Facility, BoFA has agreed to loan the Participating Employees up to an aggregate of \$25 million. Each loan under the Employee Credit Facility is required to be initially collateralized by the respective Participating Employee with Common Shares or other collateral acceptable to BoFA at a rate of 2.25 times the amount of each such loan. If the value of the collateral provided by a Participating Employee subsequently decreases below 1.5 times the outstanding loan amount, such Participating Employee is required to contribute additional collateral in the amount of such deficiency. Loans under the Employee Credit Facility are otherwise non-recourse to the Participating Employees.

Shareholders Agreement and Registration Rights Agreement

As of December 31, 2000, PT Investments and USF&G were parties to an amended and restated shareholders agreement (the "Shareholders Agreement") among themselves and us, pursuant to which we and the Investors have each agreed to use their respective reasonable best efforts to nominate and to elect certain designees of the Investors to the Board. This agreement automatically terminated as to USF&G upon the completion of the sale by USF&G of all its Common Shares in an underwritten public offering consummated on March 3, 2001.

In addition, PT Investments and USF&G were parties to an amended and restated registration rights agreement (the "Registration Rights Agreement"), pursuant to which they had the right to require registrations of our securities held by them. USF&G no longer owns any common shares.

We and PT Investments intend to terminate the Shareholders Agreement and the Registration Rights Agreement and enter into a new Investor's Rights Agreement. Pursuant to this agreement, PT Investments would have certain observation and information rights relating to our Board of Directors. In addition, PT Investments would have the right to request registrations of the Diluted Voting Common Shares held by it, subject to certain limitations. We would be required to bear most costs of registering these securities. We do not intend to list the Diluted Voting Shares on the NYSE. Although we and PT Investments expect to terminate the Shareholders Agreement and the Registration Rights Agreement and enter into this Investor's Rights Agreement, there is no assurance that we will do so.

We have filed a Registration Statement on Form S-8 under the Securities Act (File No. 333-06339) registering for sale an aggregate of 2,412,500 Full Voting Common Shares issued pursuant to the Incentive Plan and the Director Plan.

Lease Agreement

In September 1998, we entered into a twenty-one year lease (the "Lease") with respect to a house in Paget Parish, Bermuda, occupied by William I. Riker. The property which is subject

to the Lease is owned by the Bellevue Trust (the "Trust"). Mr. Riker is a Trustee of the Trust, and holds no direct economic interest therein, however does hold an indirect economic interest through a personal loan provided indirectly to the Trust. We have prepaid under the Lease an aggregate amount of \$2,063,874 to the Trust, representing the present value of all of the twenty-one year Lease payments. If the Lease is terminated for any reason, then we will be repaid all outstanding amounts due under the remaining term of the Lease. We believe that the terms of the Lease, which was determined in arm's length negotiations, represent market value terms customary in the Bermuda residential property market.

Reinsurance Transactions with The St. Paul Companies, USF&G and GEC

We have in force several reinsurance treaties with St. Paul, USF&G, subsidiaries of USF&G and affiliates of PT Investments covering property catastrophe risks in several geographic zones. The terms of these treaties were determined in arm's length negotiations and we believe that such terms are comparable to terms we would expect to negotiate in similar transactions with unrelated parties. For the year ended December 31, 2000, we received \$14 million in reinsurance premiums from treaties with affiliates of PT Investments, and \$0.4 million in reinsurance premiums from treaties with St. Paul, USF&G and certain subsidiaries of USF&G.

During the year ended December 31, 2000, we received 2.4% of our premium assumed from the reinsurance brokerage firm of Bates Turner Inc., a GE Capital Services company and an affiliate of PT Investments ("Bates"). We paid commissions to Bates in the aggregate amount of \$0.9 million in 2000. The terms of such commissions were determined in arm's length negotiations.

Under the Exchange Act, our directors and executive officers, and any persons holding more than 10% of the outstanding Common Shares are required to report their initial ownership of Common Shares and any subsequent changes in that ownership to the Commission. Specific filing dates for these reports have been established by the Commission, and we are required to disclose in this Proxy Statement any failure by such persons to file these reports in a timely manner during the 2000 fiscal year. Based upon our review of copies of such reports furnished to us, we believe that during the 2000 fiscal year our executive officers and directors and the holders of more than 10% of the outstanding Common Shares complied with all reporting requirements of Section 16(a) under the Exchange Act.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information or report be incorporated by reference into any future filing by us under the Securities Act of 1933, as amended, or the Securities Act of 1934, as amended, except to the extent that we specifically incorporate it by reference in such filing.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Ernst & Young, the Company's independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board.

The Audit Committee discussed with the Company's independent auditors the overall scopes and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Compensation Committee Report on Executive Compensation

Executive Compensation Policy. Our compensation policy for all of our executive officers is formulated and administered by the Compensation Committee of the Board. The components of our compensation policy include salary, annual bonus, and long-term incentives, consisting of stock options, restricted stock and a long-term incentive bonus plan. The Compensation Committee also administers the Incentive Plan, under which the Compensation Committee's Sub-Committee periodically grants Options and Restricted Shares to the executive officers and other employees of the Company. The Sub-Committee is comprised of Messrs. Bahr and Cooper. Exercise prices and vesting terms of Options granted under the Incentive Plan are in the sole discretion of the Sub-Committee.

The primary goals of our compensation policy are to continue to attract and retain talented executives at our offshore location, to reward results (i.e., contribution to shareholder value, financial performance and accomplishment of agreed-upon projects) and to encourage teamwork. Financial performance factors include return on equity and earnings per share growth. The Compensation Committee believes that the total compensation awarded should be concentrated in equity-based incentives to link the interests of executives closely with the interests of our shareholders. In determining the level of executive compensation, the Compensation Committee evaluates whether the compensation awarded to an executive is competitive with compensation awarded to executives holding similar positions at selected peer companies, combined with an evaluation of the executive's performance.

We have entered into employment agreements with each of our senior executive officers, all other officers of the Company and certain officers of our subsidiaries. These employment agreements were entered into to recognize the significant contribution of the officers to our success and the enhancement of shareholder value, to seek to ensure the continued retention of these key employees into the future, and to incentivize these employees and further align their interests with those of the shareholders by weighting significantly the compensation of such officers with equity-based incentives. The Compensation Committee reviews and approves the base salary component and cost of living allowances awarded to such executives under their respective employment agreements. The Sub-Committee may award discretionary annual cash bonuses.

In accordance with the goals and evaluations of the Compensation Committee, the Compensation Committee has approved the Stock Bonus Plan and the Long Term Incentive Bonus Plan. Under the Stock Bonus Plan eligible employees may elect to receive a grant of Common Shares of up to 50 percent of their bonus in lieu of cash, with an associated matching grant of an equal number of Restricted Shares. The Long Term Incentive Bonus is available to each of our executive officers and other officers and entitles those individuals to an incentive bonus based on cumulative returns on equity, and earnings per share over a multi-year period.

The Sub-Committee may also grant Options and/or Restricted Shares to such executives. Generally, Options are granted at a price equal to the fair market value of the Full Voting Common Shares on an average fair market value of the five days prior to the date of the grant.

The Compensation Committee believes that such executives' beneficial ownership positions in the Company, as a result of their respective personal investments and the Options and Restricted Shares granted to them, causes their interests to be well aligned with ours and our shareholders.

In May 2000, the Sub-Committee approved a grant of Options to each of Messrs. Riker and Eklund to purchase 103,000 Common Shares and a grant to Mr. Lummis to purchase 77,000 Common Shares. These grants were larger than the customary annual grants approved by the Sub-Committee in recent years, but were deemed appropriate as a means to incentivize our senior executive officers to deliver attractive operating results and increase shareholder value. It is intended that these grants will substitute for our customary annual option grants for 2000, 2001 and 2002, although the Sub-Committee retains discretion to make additional grants if it deems necessary or appropriate.

Currently, approximately 90,000 Common Shares remain available for grants under the Incentive Plan. The Compensation Committee believes that this number is not sufficient to satisfy the anticipated need for additional grants to our employees. Therefore, the Compensation Committee and the Board are proposing to adopt a new stock incentive plan and to reserve 950,000 Common Shares for issuance under that plan. The new plan, the Renaissance Holdings Ltd. 2001 Stock Incentive Plan, was adopted by the Board on February 6, 2001, subject to approval by our shareholders.

Chief Executive Officer's Compensation. The compensation of James N. Stanard, President and Chief Executive Officer of the Company, is determined and reviewed by the Compensation Committee. In determining Mr. Stanard's compensation, the Compensation Committee evaluates Mr. Stanard's contributions toward creation and enhancement of shareholder value, including the achievement of agreed-upon objectives. The Compensation Committee considers subjective factors, such as Mr. Stanard's dedication and leadership abilities, as well as objective factors, such as his impact on the financial and operating performance of the Company. The Compensation Committee believes that the continuing development of the Company, the operating results of the Company, the execution of the Company's capital plan, the success in motivating the employees of the Company, the articulation of the strategic vision of the Company and the current market position of the Company were significantly impacted by Mr. Stanard and members of his management team.

In recognition of Mr. Stanard's long term contribution to the Company and to the enhancement of shareholder value, the Committee resolved that it would be in the best interests of the Company and its shareholders to retain Mr. Stanard to ensure that his contribution to the Company and the shareholders would continue.

Consistent with the Compensation Committee's general compensation philosophy for our executives, Mr. Stanard's compensation has been weighted significantly towards equity-based incentives. In May 2000, the Company granted to Mr. Stanard, pursuant to the Incentive Plan, an Option to purchase 200,000 Common Shares. As with the grant to other Named Executive Officers, this grant was larger than recent annual grants to Mr. Stanard but was deemed appropriate as a means to incentivize Mr. Stanard to aggressively pursue strategies to increase shareholder value. As noted, it is intended that this grant will substitute for the Company's customary annual option grants to Mr. Stanard for 2000, 2001 and 2002, although the Sub-

Committee retains discretion to make additional grants if it deems necessary or appropriate. The Compensation Committee believes that Mr. Stanard's beneficial ownership position in the Company, as a result of his personal investment and the Options and Restricted Shares granted to him, cause his interests to be well aligned with the long term interests of the Company and our shareholders.

Mr. Stanard's cash bonus payments for 2000 were governed by the terms of his Third Amended and Restated Employment Agreement. See "CEO Employment Agreement."

The Company is not a United States taxpayer, therefore, Section 162(m) of the Code (which generally disallows a tax deduction to public companies for annual compensation over \$1 million paid to the chief executive officer or any of the four other most highly compensated executive officers) does not apply to the Company's compensation payments.

Long Term Incentive Plan

The Company maintains a Long Term Incentive Bonus Plan for the officers of the Company. In general under the Plan, bonuses are paid over a four-year period if we achieve pre-established performance targets within the four-year performance cycle. The plan provides for sequential four-year performance cycles; accordingly, additional four-year periods are expected to become effective under the Plan each calendar year. With respect to any fiscal year within the four-year period, 50 percent of an officer's target bonus amount generally will be payable only if our operating earnings per share ("EPS") targets were achieved or exceeded for the preceding fiscal year, and the other 50 percent of the target bonus amount generally will be payable only if we meet the cumulative Return on Equity ("ROE") targets for the preceding fiscal year. However, if we do not achieve the target level in one of the two component target categories (EPS and ROE) in any year, for purposes of determining a participant's bonus amount for such year, our underperformance in one category, or in one year, can be offset by our outperformance in the other category, or in another year, to permit total payout at a target level. The performance targets are established by the Compensation Committee.

The table below sets forth the estimated payments to be made to the Named Executive Officers with respect to the 1999 and 2000 four-year cycles in place, if the EPS and ROE targets are met. Payments actually received in the calendar years indicated may include additional amounts earned with respect to future four-year period cycles. In addition, the amounts below are estimates and amounts to be paid under the 1999 and 2000 plans may vary from such estimates based on the Company's results.

Director Compensation

The RenaissanceRe Holdings Ltd. Amended and Restated Non-Employee Director Stock Plan, as amended (the "Directors Plan"), provides equity compensation for those directors of the Company (the "Non-Employee Directors") who are not employees of the Company, the Investors or any of their respective affiliates. The Directors Plan provides for (i) annual grants of Full Voting Common Shares with an aggregate fair market value of \$20,000, which vest ratably over a three year period; (ii) annual grants of options to purchase 4,000 Full Voting Common Shares at an exercise price equal to the fair market value of the Full Voting Common Shares on the date of grant or as otherwise determined by the Board, which vest ratably over a three year period. Non-Employee Directors also receive an annual retainer of \$15,000 under the Directors Plan. Non-Employee Directors also receive a fee of \$1,000 for each Board meeting attended and a fee of \$500 for each Board committee meeting attended. Additionally, the Company provides to all directors reimbursement of all expenses incurred in connection with service on the Board.

In May 2000, the Company granted to each of the Non-Employee Directors, an Option to purchase 12,000 Common Shares. As with the grant to the Named Executive Officers, this grant was larger than recent annual grants and, as noted, it is intended that this grant will substitute for the Company's customary annual option grants to the Non-Employee Directors in 2000, 2001 and 2002. However, the Sub-Committee retains discretion to make additional grants if it deems necessary or appropriate.

CEO Employment Agreement

On March 1, 2001, we entered into a Fourth Amended and Restated Employment Agreement with James N. Stanard (the "CEO Employment Agreement"). The CEO Employment Agreement provides that Mr. Stanard will serve as Chief Executive Officer of the Company and Renaissance until July 1, 2005, unless terminated earlier as provided therein.

The CEO Employment Agreement currently provides for a base salary of \$450,000 per year. Mr. Stanard is entitled to certain expense reimbursements related to housing, automobile, traveling and other expenses and is also entitled to the reimbursement of reasonable business-related expenses incurred by him in connection with the performance of his duties. Mr. Stanard may receive an annual bonus consistent with the treatment of other executive officers of the Company at the discretion of the Compensation Committee. Mr. Stanard is entitled to an additional annual bonus of \$815,000 (the "Additional Bonus"), plus an additional payment (the "Gross-up Payment") in an amount which, after reduction of all applicable income taxes incurred

by Mr. Stanard in connection with the Gross-up Payment, is equal to the amount of income tax payable by Mr. Stanard in respect of the related Additional Bonus. This Additional Bonus is payable on each of June 30, 2002, 2003, 2004 and 2005. The Additional Bonus for each year shall be increased or decreased by 2.5% for each 1% increase or decrease (as the case may be) in the agreed upon earnings per share targets for the applicable year, provided that in no event will the Additional Bonus in any year exceed \$1,222,500 or be less than \$407,500. The Additional Bonus shall be calculated and paid on a cumulative simple average basis in a manner consistent with the calculation and payment of bonuses under the Company's Long Term Incentive Plan

Mr. Stanard shall be eligible to earn an incentive bonus of \$475,000 per year (the "Incentive Bonus"), payable over five years on June 2003, June 2004, June 2005, and June 2006. Incentive Bonuses shall be paid only if the Company meets cumulative Return on Equity ("ROE") targets for each immediately preceding fiscal year to be established by the Board and reflected in the Company's then current business plan. ROE shall be computed on a cumulative basis; i.e., percentage excesses or shortfalls against annual targets will be applied toward subsequent fiscal years. Accordingly, an Incentive Bonus which is not payable for a given fiscal year as a result of the Company's failure to meet the cumulative ROE target for that year shall be payable in a later year if the Company meets the cumulative ROE target for that subsequent year. Mr. Stanard shall also be entitled to receive the Incentive Bonus scheduled to be paid in June 2002, as provided under the Prior Agreement.

Mr. Stanard shall be entitled to participate in the RenaissanceRe Holdings Ltd. 2001 Stock Incentive Plan, as amended from time to time and any successor plan thereto (the "Plan"), such participation to be commensurate with his position as Chief Executive Officer. Effective as of the date of Mr. Stanard's Employment Agreement, the Company granted to Mr. Stanard 100,000 shares of our restricted common shares. The Restricted Stock shall vest at the rate of 25% a year with the first installment vesting as of July 1, 2002. The vesting of the Restricted Stock and any future Awards shall be accelerated in the event of a termination of Mr. Stanard's employment by us without Cause, or by Mr. Stanard for Good Reason, or by reason of Executive's death or disability unless, with respect only to future awards, Mr. Stanard is otherwise notified by us at the time of grant.

The CEO Employment Agreement contains customary provisions relating to exclusivity of services, non-competition and confidentiality. These provisions require that Mr. Stanard devote substantially all of his working time to the business of the Company and Renaissance, and not engage in business activities that are competitive with the business of the Company and Renaissance. As described below, the non-competition obligation may extend for up to one year after termination of Mr. Stanard's employment. In addition, Mr. Stanard is required to maintain in confidence, and not use for his own benefit, any business secrets or other confidential information concerning the business or policies of the Company and Renaissance.

The CEO Employment Agreement provides that, in general, upon a termination of Mr. Stanard's employment for any reason other than death, disability or, prior to a Change in Control (as defined in the CEO Employment Agreement), a termination by Renaissance without Cause or by Mr. Stanard for Good Reason, Mr. Stanard may not engage in business practices competitive with the business of Renaissance and its affiliates for a period of one year from termination. In exchange for this non-competition obligation, Renaissance is required to pay Mr. Stanard an

amount equal to his then current base salary and the highest regular discretionary bonus paid or payable to Mr. Stanard over the preceding three fiscal years, in twelve equal monthly installments. Upon certain terminations of employment, Renaissance may, within 14 days of such termination, elect not to enforce the non-competition obligation, in which case it is not obligated to pay the amounts described in the preceding sentence.

In the event that a Change in Control occurs and, on or within one year following the date thereof, Mr. Stanard's employment is terminated without Cause or voluntarily by him for Good Reason, the Company will be required to pay him within fifteen days following the date of such termination, in lieu of the payments described in the immediately preceding paragraph, a lump sum cash amount equal to two times the sum of (i) the highest rate of annual salary in effect during the term of the CEO Employment Agreement plus (ii) the highest regular annual bonus paid or payable to Mr. Stanard over the preceding three fiscal years (excluding the Additional Bonus, the Incentive Bonus and any extraordinary or non-recurring bonus).

The CEO Employment Agreement also provides that, in the event of a termination of Mr. Stanard's employment without Cause, by Mr. Stanard with Good Reason, or by reason of Mr. Stanard's death or disability, Mr. Stanard will be paid an Incentive Bonus equal to the highest regular discretionary bonus paid or payable to Mr. Stanard over the preceding three fiscal years. These payments are required to be made irrespective of whether applicable ROE targets have been met.

Employment Agreements with Other Named Executive Officers

The Company has entered into employment agreements with each of Messrs. Riker, Eklund and Mr. Lummis. These agreements each provide that they (i) will be extended for successive one-year periods, unless either party gives 30 days notice; (ii) provide for a base salary at a rate to be determined by the Board in its discretion, upon the recommendation of the Chief Executive Officer; (iii) provide for bonuses payable at the discretion of Renaissance; (iv) provide for expense reimbursement arrangements for relocation, housing and automobile expenses; and (v) contain provisions relating to incentive structures, exclusivity of services, non-competition and confidentiality similar to those contained in the CEO Employment Agreement. Upon termination of an executive's employment by Renaissance for any reason other than death or disability, Renaissance will be required to continue to pay the executive his then current base salary, and an amount equal to the highest regular annual bonus paid or payable to the executive over the preceding three fiscal years, in equal monthly installments commencing upon his termination of employment, in exchange for the executive's undertaking not to compete with Renaissance and its affiliates for one year after the termination. Under certain circumstances, Renaissance may elect not to enforce the executive's non-compete obligations and, therefore, not to make the payments described in the preceding sentence. In the event that a Change in Control (as defined in the agreements) occurs and, on or within one year following the date of such Change in Control, the applicable executive's employment is terminated without Cause, or Renaissance elects not to extend the term of the employment agreement, or the applicable executive terminates his employment for "Good Reason" Renaissance will be required to pay such executive within fifteen days following the date of such termination, a lump sum cash amount equal to two times the sum of (i) the highest rate of annual salary in effect during the executive's employment agreement plus (ii) the highest regular annual bonus paid or payable to

the applicable executive over the preceding three fiscal years and the Restricted Shares held by the executive will become fully vested.

On June 1, 2000, Mr. Lummis entered into an employment agreement to replace the employment agreement between him and Renaissance entered into in October 1997. The amended agreement will be extended for successive one-year periods, unless either party gives 30 days notice. The agreement is substantially similar to Mr. Lummis' previous employment agreement.

On July 1, 1999, Mr. Eklund entered into an amended employment agreement in connection with his appointment as Chief Underwriting Officer of Renaissance to replace the employment agreement between him and Renaissance entered into in May 1997. The amended agreement expires on June 30, 2004 (unless sooner terminated as provided therein) and is substantially similar to Mr. Eklund's previous employment agreement, except that the new agreement provided for the grant of 75,000 Restricted Shares that will vest at the rate of 20% per year on a cumulative basis, commencing on May 14, 2000.

On February 4, 1998, Mr. Riker entered into an amended employment agreement in connection with his appointment as President and Chief Operating Officer of Renaissance to replace the employment agreement between him and Renaissance entered into in July 1997. The amended agreement expires on June 30, 2003 (unless sooner terminated as provided therein) and is substantially similar to Mr. Riker's previous agreement, except that the new agreement provided for the grant of 75,000 Restricted Shares that will vest at the rate of 20% per year on a cumulative basis, commencing on June 30, 1999.

Stock Bonus Plan

We maintain an employee stock bonus plan (the "Stock Bonus Plan") pursuant to which the Board may issue Common Shares under the Incentive Plan. Under the Stock Bonus Plan, eligible employees may elect to receive a grant of Common Shares of up to 50% of their bonus in lieu of cash, with an associated matching grant of an equal number of Restricted Shares. The Restricted Shares vest ratably over four years. During the restricted period, the employee receives dividends on and votes the Restricted Shares, but the Restricted Shares may not be sold, transferred or assigned. In 2000, we issued 38,715 Common Shares and 38,715 matching Restricted Shares under the Stock Bonus Plan having an aggregate value of approximately \$2.9 million.

PROPOSAL 1 - THE BOARD SIZE PROPOSAL

The Board has determined that it is in the best interests of the Company and its shareholders to adopt an amendment to our Bye-laws to fix the size of the Board at eight directors (which the Board may determine to increase to eleven members). If this proposal is adopted by our shareholders, we would accordingly amend Bye-law 12(a) of our Bye-laws to provide for a fixed size of eight rather than eleven, and the Board will have the discretion to increase to eleven rather than twelve, and to fill any additional positions so created. A form of the new Bye-law 12(a), as proposed to be amended, is attached hereto as Appendix B.

BACKGROUND AND REASONS FOR THE ADOPTION OF THE BOARD SIZE PROPOSAL.

Our Bye-laws provide for a classified Board, presently consisting of eleven members (which the Board may determine to expand to twelve members). The Board is divided into three classes of approximately equal size. Each director serves a three-year term.

We fixed the size of our Board at eleven members in part to accommodate the inclusion of representatives of our founding institutional shareholders as well as a substantial number of independent directors. Over the last several years, our founding institutional investors and their affiliates have sold the majority of their shares. Most recently, on March 13, 2001, USF&G completed the sale of approximately 1.7 million common shares in an underwritten public offering. Given the reduced equity ownership of our founding institutional shareholders, we believe that it is appropriate to reduce the size of the Board to reflect these changes.

Accordingly, we propose an amendment to our Bye-laws to reduce the size of our Board from eleven members to eight members. The Board would have the power to increase its size to eleven members and, as it currently has, will have the power to fill vacancies created by any additional positions. This would enable the Board to admit attractive potential candidates as members of the Board while retaining the existing members or to facilitate other changes. However, the Board has not presently identified any such potential candidates, and there can be no assurance that we will succeed in identifying or retaining such candidates to the Board. The Bye-laws will continue to require that the Board seek to cause each class of directors to be comprised of an approximately equal number of directors.

RECOMMENDATION AND VOTE

Approval of the Board Size Proposal requires the affirmative vote of a majority of the voting rights attached to the Common Shares present, in person or by proxy, at the Annual Meeting.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE BOARD SIZE PROPOSAL.

PROPOSAL 2 - THE RENAISSANCE VOTING PROPOSAL

Our Board has determined that it is in the best interests of the Company and our shareholders to adopt an amendment to our Bye-laws to remove the requirement that matters required to be voted on by the shareholders of Renaissance, our wholly owned principal operating subsidiary, be submitted to the shareholders of the Company.

The provisions which impose this bifurcated voting requirement are set forth in paragraph (a)(4) of Bye-law 43. If this proposal is adopted by our shareholders, paragraph (a)(4) of Bye-law 43 would be deleted entirely.

BACKGROUND AND REASONS FOR THE ADOPTION OF THE RENAISSANCE VOTING PROPOSAL.

Our Bye-laws currently require the Company, as the holder of all of the outstanding shares of Renaissance, to submit any matter required to be submitted to a vote of the shareholders of Renaissance to the shareholders of the Company and vote all the shares of Renaissance owned by the Company in accordance with and proportional to such vote of the Company's shareholders. If the Renaissance Voting Proposal is adopted, our Bye-laws will be amended to remove this requirement.

We adopted this requirement to reduce the Company's exposure to the related person insurance income rules ("RPPI") promulgated under the U.S. Internal Revenue Code of 1986, as amended, and to reduce the possibility that certain of our shareholders might be required to include their pro rata share of Renaissance's subpart F income in their reportable income.

The reduction in share ownership by our founding institutional investors described above has mitigated the exposure of the Company and our shareholders to these risks. However, this requirement adds a degree of complication to the voting process. We believe that the Renaissance Voting Proposal is advantageous to the Company and its shareholders because it removes a provision which no longer provides an important independent benefit and will simplify our corporate voting process. We own 100% of Renaissance and its Bye-laws provide that its board shall nominate for election the same candidates proposed for election to the Company's Board. Similarly, we have always proposed that the same independent accountants be appointed for each of the Company and Renaissance and expect that we always will. Accordingly, our current bifurcated voting requirement has proved to be duplicative and ministerially burdensome, with no meaningful benefit other than the former reduction in RPPI exposure, which has now been otherwise mitigated.

We are aware of no other public company which submits subsidiary votes to its public shareholders. Now that the concerns which underlay the imposition of this unusual voting structure have been independently alleviated, we feel it is in the best interest of the Company and our shareholders to return to more typical and customary corporate governance procedures.

We will conduct the Annual Meeting of Renaissance immediately following the Company's Annual Meeting. We believe that the Renaissance Voting Proposal will be approved by our shareholders and that the previous requirement to submit Renaissance voting matters to

the Company's shareholders will be terminated. However, if the Renaissance Voting Proposal does not pass, we will submit to the Annual Meeting proposals to elect two Class II Directors of Renaissance and to appoint the independent auditors of Renaissance. The candidates for election to the Renaissance Board will be exactly the same as the candidates for election to the Board of the Company, and we would propose that Ernst & Young be approved to serve as independent auditors of Renaissance, as proposed for the Company. If we are required to submit these matters relating to Renaissance to the Annual Meeting, the persons named in this Proxy Statement and the accompanying proxy cards will vote executed proxies received by us, with respect to those Renaissance shareholder votes in the same percentages as the votes cast for the Board Nominees Proposal and the Independent Auditors Proposal.

RECOMMENDATION AND VOTE

Approval of the Renaissance Voting Proposal requires the affirmative vote of a majority of the voting rights attached to the Common Shares present, in person or by proxy, at the Annual Meeting.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE RENAISSANCE VOTING PROPOSAL.

PROPOSAL 3-- THE BOARD NOMINEES PROPOSAL

Our Bye-laws provide for a classified Board, divided into three classes of approximately equal size. Each director serves a three year term. At our 2001 Annual Meeting, our shareholders will elect the Class III Directors, who will serve until our 2004 Annual Meeting. Our incumbent Class I Directors are scheduled to serve until our 2002 Annual Meeting and our Class II Directors are scheduled to serve until our 2003 Annual Meeting.

Two directors are nominated for election at the Annual Meeting. If any Nominee shall, prior to the Annual Meeting, become unavailable for election as a director, the persons named in the accompanying form of proxy will vote for such other Nominee, if any, in their discretion as may be recommended by the Board.

In part to accommodate the expected reduction in the size of our Board, Mr. Liska and Mr. Igou, who have been Class III Directors, are not standing for reelection at the Annual Meeting, and Mr. Lee, who has been a Class II Director, intends to resign following the Annual Meeting. In addition, the Board determined that Mr. Riker, our Executive Vice President and the President and Chief Operation Officer of Renaissance Reinsurance, who has been a Class I Director, will stand for election at the Annual Meeting as a Class III Director. This change will accommodate retaining Board classes of approximately equal size, as our Bye-laws require. If the Board Size Proposal (Proposal 1) does not pass, the resulting vacancies will be filled by the incumbent members of the Board as provided in our Bye-laws.

PROPOSAL 4 -- THE AUDITORS PROPOSAL

Upon recommendation of the Audit Committee, the Board proposes that the shareholders appoint the firm of Ernst & Young to serve as our independent auditors for the 2001 fiscal year

(1) Mr. Lee has informed the Company that he intends to resign from the Board following the Annual Meeting. Thereafter, Class II would consist of three directors.

until the 2002 Annual Meeting. Ernst & Young served as our independent auditors for the 2000 fiscal year. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE AUDITORS PROPOSAL.

PROPOSAL 5 - THE 2001 STOCK INCENTIVE PLAN PROPOSAL

On February 6, 2001, the Board adopted the Renaissance Holdings Ltd. 2001 Stock Incentive Plan (the "2001 Plan"), under which 950,000 Full Voting Common Shares were reserved for issuance pursuant to grants of restricted stock and stock bonuses or upon the exercise of options granted under the 2001 Plan. The Board believes that the equity-based incentive awards available for grant under the 2001 Plan are an important part of our compensation policy as such equity-based incentive awards link the interests of eligible employees more closely with the interests of our shareholders.

We are seeking shareholder approval of the 2001 Plan in order to comply with the requirements of Section 422 of the Code and the requirements of the New York Stock Exchange, Inc. (the "NYSE"). The following summary of the 2001 Plan is qualified in its entirety by express reference to the text of the 2001 Plan, a copy of which is on file with the Securities and

Exchange Commission. Under the 2001 Plan, options may be granted which are qualified as "incentive stock options" within the meaning of Section 422 of the Code ("ISOs") and which are not so qualified ("NQSOs") (collectively or individually, ISOs and NQSOs may be referred to as "Options"). In addition, restricted Full Voting Common Shares ("Restricted Shares") and stock bonuses ("Stock Bonuses") may also be granted under the 2001 Plan.

PURPOSE AND ELIGIBILITY

The purpose of the 2001 Plan is to provide a means through which the Company and its subsidiaries may attract able persons to enter and remain in the employ of the Company and its subsidiaries and to provide a means whereby employees of the Company and its subsidiaries can acquire and maintain share ownership, thereby strengthening their commitment to the welfare of the Company and its subsidiaries and promoting an identity of interest between shareholders and these employees.

Employees of the Company and its subsidiaries are eligible to receive Options, Restricted Shares and Stock Bonuses under, and participate in, the 2001 Plan. The approximate number of officers and employees eligible to participate in the 2001 Plan is 100.

ADMINISTRATION

The 2001 Plan is administered by a committee (the "Committee") appointed by the Board. The Committee, in its sole discretion, determines which individuals may participate in the 2001 Plan and the type, extent and terms of the awards to be granted. In addition, the Committee interprets the 2001 Plan and makes all other determinations with respect to the administration of the 2001 Plan.

AWARDS

OPTIONS. The 2001 Plan specifically provides for the grant of Options, both ISOs and NQSOs. The terms and conditions of Options granted under the 2001 Plan are set out from time to time in agreements between us and the individuals receiving such awards. Such terms include vesting conditions, the expiration dates for the awards, and other terms and conditions relating to the awards. The exercise price of the Options is determined by the Committee at the time of grant. In the case of NQSOs, the exercise price must be not less than 85% of the "Fair Market Value" (as defined in the 2001 Plan) and the number of Options granted with an exercise price which is less than the Fair Market Value of the Full Voting Common Shares on the date of grant may not exceed 10% of the number of shares of Stock reserved for issuance under the 2001 Plan of the Full Voting Common Shares on the date of grant. In the case of ISOs, the exercise price must be at least the Fair Market Value of the Full Voting Common Shares on the date of grant. ISOs may not be granted to an individual who, at the date of grant, owns directly or indirectly shares possessing more than 10 percent of the total combined voting power of all classes of shares of the Company or of any parent or subsidiary of the Company, unless the ISO (i) has an exercise price of at least 110 percent of the Fair Market Value of the Full Voting Common Shares on the date of grant of the Option, and (ii) cannot be exercised more than 5 years after the date of grant. To the extent that the aggregate Fair Market Value with respect to which ISOs become exercisable for the first time in any calendar year exceeds \$100,000, such

Options will be treated as NQSOs. The Option exercise price may be paid in cash or by such other means as may be approved by the Committee in its discretion. However, any right to pay the exercise price by tendering Full Voting Common Shares will be limited to the shares held by the Optionee for at least six months. If the Committee permits an optionee to pay the exercise price of an Option by delivery of Restricted Shares, the optionee will receive, in connection with such exercise, an equal number of Restricted Shares having the same restrictions.

The 2001 Plan also permits the Committee to grant reload options ("Reload Options"), in the Committee's sole discretion, if (i) an optionee exercises an Option by the delivery of Full Voting Common Shares which have been held by the optionee for at least six months, and (ii) at the Committee's discretion, the optionee's tax withholding obligations upon exercise of Options are satisfied by the Company withholding Full Voting Common Shares with an aggregate Fair Market Value equal to the minimum tax withholding amount due upon the Option exercise. Such Reload Options will entitle the optionee to purchase the number of Full Voting Common Shares equal to the number of Full Voting Common Shares so delivered to, or withheld by us. The exercise price per share of Reload Options will be the Fair Market Value per share on the date such Reload Option is granted. The duration of a Reload Option will not extend beyond ten years from the date of grant of the underlying Option to which the grant of the Reload Option relates. Reload Options will be fully vested on the date of grant. Participants in the Plan will also receive Reload Options upon the exercise of Reload Options if the Fair Market Value of the Company's stock has appreciated by 20% above the exercise price of the Reload Options. Other specific terms and conditions applicable to Reload Options granted under the 2001 Plan will be determined by the Committee.

RESTRICTED SHARES. Restricted Shares may be granted by the Committee in its sole discretion, and such shares will become unrestricted in accordance with a schedule established by the Committee. Restricted Shares awarded to a participant will be subject to the following restrictions until the expiration of the restricted period, and to such other terms and conditions as may be determined by the Committee: (1) if an escrow arrangement is used, stock certificates will not be delivered to the participant, (2) the shares will be subject to the restrictions on transferability, unless the Committee permits a transfer on the terms set forth in the 2001 Plan and (3) except to the extent determined by the Committee, the shares will be subject to forfeiture upon termination of the holder's agreement. The Committee may remove any or all of the restrictions on the Restricted Shares if it determines that, by reason of changes in applicable laws or other changes in circumstances arising after the date of the Restricted Share award, such action is appropriate.

STOCK BONUSES. Stock Bonuses may be awarded by the Committee, in its sole discretion, upon such terms and conditions, as the Committee deems appropriate.

ADJUSTMENTS FOR RECAPITALIZATION, MERGER, ETC. OF THE COMPANY

Awards under the 2001 Plan will be subject to adjustment or substitution, as determined by the Board in its reasonable discretion, as to the number, price or kind of shares or other consideration subject to such awards or as otherwise determined by the Board to be equitable (i) in the event of changes in the outstanding Full Voting Common Shares or in the our capital structure, by reason of share dividends, share splits, recapitalizations, reorganizations,

mergers, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the date of grant of any such awards or (ii) in the event of any change in applicable laws or any change in circumstances which results in or would result in any substantial dilution or enlargement of the rights granted to, or available for, participants in the 2001 Plan, or which otherwise warrants equitable adjustment because it interferes with the intended operation of the 2001 Plan. In addition, in the event of any such adjustments, exchanges or substitution, the aggregate number of Full Voting Common Shares available under the 2001 Plan will be appropriately adjusted, as determined by the Board in its reasonable discretion.

CHANGE OF CONTROL

In the event of a "Change in Control" (as defined in the 2001 Plan), all outstanding awards will automatically vest. In addition, in the event of a Change in Control which, in the discretion of the Board, is not to be accounted for as a pooling of interests, all Options which are outstanding on the date of such Change in Control will be deemed exercised, and in exchange for such Options, the optionees will be paid a cash amount based on the difference between (i) the price per share paid for the Full Voting Common Shares in connection with such Change in Control, and (ii) the exercise price per share.

SHARES SUBJECT TO THE 2001 PLAN

The total number of Full Voting Common Shares reserved for issuance under the 2001 Plan is 950,000.

MARKET VALUE

The closing price of the Full Voting Common Shares on the NYSE on _____, 2001 was \$_____ per share.

AMENDMENT AND TERMINATION

The Board may at any time terminate the 2001 Plan. Subject to the provisions of the 2001 Plan which are described above under "Adjustments for Recapitalization, Merger, etc. of the Company," with the written consent of a participant, the Board or the Committee may cancel or reduce outstanding awards if, in its judgment, the tax, accounting, or other effects of, or potential payouts under the 2001 Plan would not be in the best interest of the Company. The Board or the Committee may, at any time, amend or suspend the 2001 Plan; provided that any amendment that would increase the maximum number of Full Voting Common Shares which may be issued pursuant to awards, or change the class of persons eligible to receive ISOs, may not be adopted without shareholder approval.

FEDERAL TAX CONSEQUENCES

The following is a brief discussion of the Federal income tax consequences of transactions with respect to Options, Restricted Shares and Stock Bonuses under the 2000 Plan based on the Code, as in effect as of the date of this summary. This discussion is not intended to

be exhaustive and does not describe any state or local tax consequences. Holders of awards under the 2000 Plan should consult with their own tax advisors.

ISOS. No taxable income is realized by the optionee upon the grant or exercise of an ISO. If Full Voting Common Shares are issued to an optionee pursuant to the exercise of an ISO, and if no disqualifying disposition of such shares is made by such optionee within two years after the date of grant or within one year after the transfer of such shares to such optionee, then (1) upon the sale of such shares, any amount realized in excess of the Option price will be taxed to such optionee as a long-term capital gain and any loss sustained will be a long-term capital loss, and (2) no deduction will be allowed to us for Federal income tax purposes.

If the Full Voting Common Shares acquired upon the exercise of an ISO are disposed of prior to the expiration of either holding period described above, generally, (1) the optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the Fair Market Value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the Option price paid for such shares and (2) we will be entitled to deduct such amount for Federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the optionee upon the sale of the Full Voting Common Shares will be taxed as short-term or long-term capital gain (or loss), depending on how long the shares have been held, and will not result in any deduction by us.

If an ISO is exercised more than three months following termination of employment (subject to certain exceptions for disability or death), the exercise of the Option will generally be taxed as the exercise of a NQSO, as described below.

For purposes of determining whether an optionee is subject to an alternative minimum tax liability, an optionee who exercises an ISO generally would be required to increase his or her alternative minimum taxable income, and compute the tax basis in the stock so acquired, in the same manner as if the optionee had exercised a NQSO. Each optionee is potentially subject to the alternative minimum tax. In substance, a taxpayer is required to pay the higher of his/her alternative minimum tax liability or his/her "regular" income tax liability. As a result, a taxpayer has to determine his/her potential liability under the alternative minimum tax.

NQSOS. With respect to NQSOS: (1) no income is realized by the optionee at the time the Option is granted; (2) generally, at exercise, ordinary income is realized by the optionee in an amount equal to the excess, if any, of the Fair Market Value of the shares on such date over the exercise price, and the Company is generally entitled to a tax deduction in the same amount, subject to applicable tax withholding requirements; and (3) at sale, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

OPTIONS TRANSFERS. Although Options are generally nontransferable, the following tax consequences will apply if the Committee, in its sole discretion, allows for the transfer of a NQSO.

If the transfer is a gift, subject to the Annual Gift Tax Exclusion and the Unified Credit (to the extent applicable), the optionee will realize a gift tax based on the value of the

Option in the year that the gift is completed. Gifts of Options are deemed to be completed when vested. Under the Gift Tax Annual Exclusion, each calendar year an individual can transfer up to \$10,000 (\$20,000 combined between the individual and his/her spouse) of cash and/or property per transferee free from any gift tax. Under the Unified Credit, in addition to an individual's Annual Gift Tax Exclusion, an individual may transfer a certain amount of cash and/or property during his/her lifetime or upon death without paying any gift or estate taxes. This amount is currently \$675,000 (2000) and will be increased until the year 2006 when the Unified Credit limit will be \$1 million. Optionees should consult with their tax advisor as to the amount of the Unified Credit for any year subsequent to 2000.

When the transferee exercises the Option, the optionee will realize ordinary income in the year of exercise equal to the excess (if any) of the fair market value of the shares exercised over the Option exercise price paid by the transferee for such shares. It is unclear at this time what the tax results would be if the optionee is deceased at the time of the option exercise by the transferee.

Upon subsequent disposition of the shares by the transferee, the transferee will realize long-term or short-term capital gain (or loss), as the case may be, based on the difference between the sale price for the shares and the fair market value of the shares when the Option was exercised.

RESTRICTED SHARES. Participants who receive grants of Restricted Shares generally will be required to include as taxable ordinary income the fair market value of the Restricted Shares at the time they are no longer subject to forfeiture or restrictions on transfer for purposes of Section 83 of the Code (the "Restrictions"), less any purchase price paid by the participant for the Restricted Shares. Thus, taxable income generally will be realized by the participant at the end of the restricted period. However, a participant who so elects under Section 83(b) of the Code (an "83(b) Election") within thirty days of the date of grant of the Restricted Shares will incur taxable ordinary income on the date of grant equal to the excess of the fair market value of such shares of Restricted Shares (determined without regard to the Restrictions) over the purchase price paid by the participant for the Restricted Shares. If the shares subject to an 83(b) Election are forfeited, the participant will be entitled only to a capital loss for tax purposes equal to the purchase price, if any, of the forfeited shares. With respect to the sale of the shares after the restricted period has expired, the holding period to determine whether the participant has long-term or short-term capital gain or loss generally begins when the restrictions expire and the tax basis for such shares generally will be based on the fair market value of the shares on that date. However, if the participant makes an 83(b) Election, the holding period commences on the date of such election and the tax basis will be equal to the fair market value of the shares on the date of the election (determined without regard to the Restrictions). The participant's employer generally will be entitled to a deduction equal to the amount that is taxable as ordinary income to the participant, subject to applicable withholding requirements.

STOCK BONUSES. Recipients of Stock Bonuses will be required to include as taxable ordinary income the fair market value of the Full Voting Common Shares on the date of grant.

SPECIAL RULES APPLICABLE TO CORPORATE INSIDERS

As a result of the rules under Section 16(b) of the Exchange Act ("Section 16(b)"), and depending upon the particular exemption from the provisions of Section 16(b) utilized, officers and directors of the Company and persons owning more than 10 percent of the outstanding shares of stock of the Company ("Insiders") may not receive the same tax treatment as set forth above with respect to the grant and/or exercise of Options. Generally, Insiders will not be subject to taxation until the expiration of any period during which they are subject to the liability provisions of Section 16(b) with respect to any particular Option. Insiders should check with their own tax advisers to ascertain the appropriate tax treatment for any particular Option.

NEW PLAN BENEFITS

The grant of Options, Restricted Shares and Stock Bonuses under the 2000 Plan is entirely within the discretion of the Committee. We cannot forecast the extent of Option, Restricted Shares and Stock Bonus grants that will be made in the future. Therefore, we have omitted the tabular disclosure of the benefits or amounts allocated under the 2000 Plan

REASONS FOR THE 2001 PLAN PROPOSAL

As of March 15, 2001 approximately 90,000 of our Common Shares remained available for grants under our existing stock incentive plans. Because of the limited number of shares remaining available for grant under the existing plan, the Board, acting on the recommendation of the Compensation Committee, believes it is appropriate and necessary at this time to authorize additional shares for future awards. Authorization of these additional shares will allow grants to our employees in furtherance of our goal of continuing to attract, retain and reward key employees, and to align the interests of our employees with those of our shareholders with a view to increasing shareholder value.

RECOMMENDATION AND VOTE

Approval of the 2001 Plan Proposal requires the affirmative vote of a majority of the Full Voting Common Shares present, in person or by proxy, at the Annual Meeting, and entitled to vote thereon.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE 2001 PLAN PROPOSAL.
