Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 7, 2023, the Corporate Governance and Human Capital Management Committee (the "Committee") of the Board of Directors of RenaissanceRe Holdings Ltd. (the "Company") granted performance-based restricted stock awards (the "Performance Awards") to Kevin O'Donnell, the Company's Chief Executive Officer, under the Company's First Amended and Restated 2016 Long-Term Incentive Plan, as amended. The Committee evaluated a number of alternatives to structure a meaningful incentive for retention, the successful integration of Validus Re and the execution of the Company's growth strategy. The Performance Awards are delivered entirely in equity incentives to align Mr. O'Donnell's interests more closely with the Company and share performance, particularly over the longer-term. Following such review, the Committee concluded that the Performance Awards would closely align with long-term value creation for shareholders as they were viewed by the Committee as creating a significant incentive to achieve the Company's growth strategy and the retention of Mr. O'Donnell during this key period.

On the grant date, the Performance Awards granted to Mr. O'Donnell had an aggregate target value on the grant date equal to \$12,000,000. The vesting of 60% of the Performance Awards is tied to the Company's average growth in tangible book value per share plus accumulated dividends over a four-year performance period, commencing on January 1, 2023 and ending on December 31, 2026. Based on performance, vesting may range from 0% to 200% of the target number of shares subject to this portion of the Performance Awards. For this portion of the Performance Awards, Mr. O'Donnell was granted the maximum number of shares that he could earn pursuant to the award, but any shares that are not earned will not vest and will be forfeited.

Vesting for the remaining 40% of the Performance Awards is tied to Mr. O'Donnell's execution of certain management-related performance objectives over a five-year performance period, with 50% eligible for vesting on November 15, 2027 and the remaining 50% eligible for vesting on November 15, 2028.

The foregoing summary does not purport to be a complete description of all of the provisions of the underlying performance share agreement or restricted stock agreement and is qualified in its entirety by reference to the full text of the performance share agreement and restricted stock agreement attached as Exhibits 10.1 and 10.2, respectively, hereto.

In addition, on November 7, 2023, the Company awarded additional performance-based restricted stock awards to Robert Qutub, Ross Curtis, Shannon Bender and David Marra, with an aggregate grant date fair value, assuming target performance, of \$750,000 per award recipient. These awards were granted in recognition of each award recipient's performance relating to the Validus Re acquisition and to incentivize the successful integration of Validus Re. These awards have a three-year performance period from January 1, 2024 through December 31, 2026 and are scheduled to vest based on the Company's average change in book value per common share plus change in accumulated dividends and average underwriting expense ratio rank compared to peers over the performance period.

Vesting Percentage: “Vesting Percentage” shall be a function of the Average TBVPS Plus AD Growth achieved during the Performance Period, to be determined as follows:

Performance Objective Adjustment: The Committee shall adjust the Performance Objectives set forth herein to exclude the impact of any acquisitions or dispositions of businesses or business segments by the Company, one-time non-operating charges, unusual or nonrecurring items, accounting changes (including the early adoption of any accounting change mandated by any governing body, organization or authority), changes in tax laws, impact of discontinued operations, restatements of prior period financial results, and any other similar events or similar transactions that may result in distortion of such Performance Objectives. In addition, if the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company, or the manner in which it conducts its business, or other events or circumstances render the Performance Objectives set forth herein unsuitable, the Committee may modify such Performance Objectives, in whole or

in part, as the Committee deems appropriate and equitable.

Vesting Schedule: Subject to the Participant's continued employment with the Company or any of its Affiliates through the Service Period (except as otherwise provided in any other agreement between the Participant and the Company pertaining to the Performance Shares), a number of Performance Shares shall vest upon the expiration of the Service Period equal to the product of (x) the total number of Performance Shares multiplied by (y) the Vesting Percentage. The total number of vested Performance Shares shall be delivered following the later of (i) expiration of the Service Period and (ii) the Committee's determination of the achievement level of the applicable Performance Objective. Performance Shares that are no longer eligible to vest following the Committee's determination of the achievement level of the applicable Performance Objective shall immediately be forfeited to the Company by the Participant for no consideration as of the date of such determination.

Termination of Employment: In the event of the Participant's Termination for any reason (except as otherwise provided in any other agreement between the Participant and the Company pertaining to the Performance Shares), all Performance Shares that have not vested as of the date of such Termination shall be immediately forfeited to the Company by the Participant for no consideration as of such date.

No interest will accrue or be paid on the amount of any cash dividends withheld. Accrued dividends that remain unpaid following the Committee's determination of the achievement level of the applicable Performance Objectives during the Performance Period or the Participant's Termination for any reason shall be immediately forfeited for no consideration as of the date of such determination or Termination, as applicable. No dividends will accrue or be withheld by the Company on the Participant's behalf pursuant to this Agreement or the Plan with respect to any Performance Shares on or following the date on which they vest in full.

Additional Terms: The Performance Shares granted hereunder shall be registered in the Participant's name on the books of the

Company, but the certificates evidencing such Performance Shares shall be retained by the Company while the Performance Shares remain unvested, and for such additional time as the Committee determines appropriate.
